Rediscovering The Jesus Story

Joseph A. Grassi

Rediscovering The Jesus Story:

Rediscovering Jesus David B. Capes, Rodney Reeves, E. Randolph Richards, 2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture from the New Testament to the gnostic gospels historical Jesus studies Islam Mormonism Hollywood and Americana Follow the path to seeing Jesus truly and notice the difference it makes for faith and life **Rediscovering the Jesus Story** Joseph A.

Grassi, 1995 The power of this book lies in Joseph Grassi's insight that the gospels were written as dramatic narratives For centuries the main contact people had with the gospels was in hearing them proclaimed and performed The proclaimers and the listeners did not consider Jesus a dead person of the distant past but as present here and now to believers The actual person narrating the gospel was only a channel or instrument of Jesus actual words Jesus was speaking to them with all the dynamic power and effect that he had on his audiences years and centuries ago in Galilee The gospel audience heard his words not merely in terms of valuable information but also as empowerment and energy to accomplish the things they heard The stories of miracles healings and forgiveness were reminders that the same events were now happening again through Jesus presence in their midst Rediscovering the Jesus Story will help the reader rediscover the passion and vitality of the gospels Each particular story is accompanied by the necessary background a modern audience needs to discover the gospel anew This includes the background of the Hebrew scriptures along with guides to the meaning of each story within each gospel's dramatic and literary pattern At the end of each section the reader will find Pathways to Further Discovery and suggestions for keeping a personal journal Rediscovering the Jesus Story allows the reader to enter into the gospels in a deeper way than ever before BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Toney, 2021-08-31 Did you know that the Christmas story almost wasn't told But Matthew and Luke saved Christmas Have you wondered if Christmas is really a pagan holiday Did marketers invent Santa Claus And what does a Christmas tree have to do with anti slavery We'll learn which traditions come from the Bible and where other traditions derive Have you ever considered who Jesus was named after Or why Jesus's genealogy is traced to Joseph if he's not Jesus's biological father We'll answer questions like these surrounding Jesus's legacy Maybe you've asked what was the Bethlehem star Or have you heard that there wasn't an inn or innkeeper With these kinds of inquiries we'll look at the circumstances surrounding Jesus's birth Do we know if the magi were kings astrologers or magicians Or could you name the oldest person that met baby Jesus By interacting with these people who met Jesus on that first Christmas we'll join the cast of characters around the manger As we explore the stories and traditions of Christmas together we'll ruin some past misconceptions but in the process I promise that

O'Brien,2016-11-01 Randolph Richards and Brandon O'Brien explore the complicated persona and teachings of the apostle Paul Unpacking his personal history and cultural context they show how Paul both offended Roman perspectives and scandalized Jewish sensibilities revealing a vision of Christian faith that was deeply disturbing to others in his day and remains so in ours **Rediscovering the Triune God** Stanley James Grenz,2004 The last century has witnessed a revival and renewal of trinitarian theology led initially by Karl Barth The

Rediscovering the Jesus Story Matthew C. Chance, 2009

Jesus and Judaism E. P. Sanders, 1985 This work takes up two related questions with regard to Jesus his intention and his relationship to his contemporaries in Judaism These questions immediately lead to two others the reason for his death did his intention involve an opposition to Judaism which led to death and the motivating force behind the rise of Christianity did the split between the Christian movement and Judaism originate in opposition during Jesus' lifetime

The Philosophy of

Christology Hue Woodson, 2022-01-31 Given the perpetual problem of the historical Jesus there remains an ongoing posing of the question to and a continuous seeking of the meaningfulness of Christology From the earliest reckoning with the relationship between Jesus of Nazareth and the Christ of faith what it means to do Christology today remains at the methodological center of the task and scope of every systematic theology Whether giving an account of Albert Schweitzer's bringing an end to the quest for the historical Jesus in 1906 or attending to Rudolf Bultmann's period of no quest culminating with his demythologization project in the 1940s how we still think of Christology as a matter of questions and concerns with meaning speaks to an unavoidable philosophizing of Christology In this way The Philosophy of Christology offers both a particular history of Christology in conjunction with a particular philosophy of Christology which assesses the theological contributions by a group of Bultmannians following Bultmann in the 1950s and 1960s up to what can be reimagined by repurposing Jacques Derrida's philosophical question into the meaning of love in 2002

prostitute Sawdust on His Shirt takes a fresh look at Jesus gospel and his vision for a transformed world It turns out that Jesus is much more inclusive than has often been supposed The book challenges the Christian community to rediscover its true purpose and seize a unique opportunity in the early twenty first century There is room in the kingdom of God for skeptical sympathizers as well as prophetic intercessors and for all those who sit somewhere between these extremities of spirituality People who feel that Jesus may have something important to say to the world but who know they will never be religious Christians who are seeking to live meaningfully in a secular society and spiritual warriors with a gnawing hunger for God and the fulfillment of his purposes should each find in this book something to inform entertain and challenge
