Capes,Rodney Reeves,E. Randolph Richards,2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture from the New Testament to the gnostic gospels historical Jesus studies Islam Mormonism Hollywood and Americana Follow the path to seeing Jesus truly and notice the difference it makes for faith and life      Rediscovering the Holy Spirit Michael Horton,2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man s own body we too easily begin to think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1 2 all the way to Revelation 22 17 The Spirit s work is as essential as the Father s and the Son s yet the Spirit s work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit s mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In Rediscovering the Holy Spirit author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God s Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives      **Leo Strauss and the Rediscovery of Maimonides** Kenneth Hart Green,2013-05-16 In Leo Strauss and the Rediscovery of Maimonides Kenneth Hart Green explores the critical role played by Maimonides in shaping Leo Strauss s thought In uncovering the esoteric tradition employed in Maimonides s Guide of the Perplexed Strauss made the radical realization that other ancient and medieval philosophers might be concealing their true thoughts through literary artifice Maimonides and al Farabi he saw allowed their message to be altered by dogmatic considerations only to the extent required by moral and political imperatives and were in fact avid advocates for enlightenment Strauss also revealed Maimonides s potential relevance to contemporary concerns especially his paradoxical conviction that one must confront the conflict between reason and revelation rather than resolve it An invaluable companion to Green s comprehensive collection of Strauss s writings on Maimonides this volume shows how Strauss confronted the commonly accepted approaches to the medieval philosopher resulting in both a new understanding of Maimonides and a new depth and direction for his own thought It will be welcomed by anyone engaged with the work of either philosopher      *Rediscovering Paul* David B.
