support and great emails      *The Deliverer* Ali Kings, 2019-01-04 Being a Deliverer of human souls is a very responsible job even if it has been thrust upon you against your will when all you d wanted was a nice quiet suicide Obviously it s a job you should take seriously train for exhaustively and carry out meticulously And if you don t Well maybe you ll find yourself in an isolated shack in the middle of nowhere living a life of reclusive luxury with supplies that magically replenish themselves and only a cat for company Until one day you realise you should have paid just a bit more attention on arrival in the Transitional State perhaps even actually attended the training sessions because suddenly you re required to match a never ending flow of re cycled souls to their new parents and you ve absolutely no idea of how to do it And maybe you ll discover you re responsible for the Great Fire of London the birth of Hitler and the rise of Eva Lyam the white supremacist President of the USA who seduces her interviewer live on camera and threatens the world with all out nuclear war If that happens maybe you ll be given one last chance to prove yourself or face Eternal Damnation And then what will you do Well maybe you ll get dragged along on a voyage of self discovery which takes you through a bawdy seventeenth century play a glitzy 1930s cinema a hard right political rally in the American dust bowl and a re training programme where you learn sleight of hand and physical metamorphosis after being forced to watch footage of your five previous suicides And maybe you ll enlist the help of Death a dapper pinstriped suited individual with an ever present MacBook The Voice in Your Head a verbose and didactic mentor who just won t ever shut up and a courier named Nick an Ethereal Being who just happens to be a leather clad Harley riding hunk and the sexiest thing you ve ever laid eyes on And as you break every rule in the book in a desperate attempt to SAVE THE WORLD maybe you ll find you ve saved yourself in the process Narrated with a quick fire quirky humour this thought provoking and sometimes moving book explores fundamental contemporary issues around life after death mental health politics gender and enduring love      **River of Redemption** Krista Schlyer, 2018-11-26 Incorporating seven years of photography and research Krista Schlyer portrays life along the Anacostia River a Washington DC waterway rich in history and biodiversity that has nonetheless lingered for years in obscurity and neglect in our nation s capital River of Redemption offers an experience of the river that reveals its eons of natural history centuries of destruction and decades of restoration efforts The story of the Anacostia echoes the story of rivers across America Inspired by Aldo Leopold s classic book A Sand County Almanac Krista Schlyer evokes a consciousness of time and place taking readers through the seasons in the watershed as well as through the river s complex history and ecology As with rivers nationwide the ways we ve changed the Anacostia affect the people and wildlife that inhabit its shores from the headwaters in Maryland past its confluence with the Potomac River and ultimately to the Chesapeake Bay Centuries of abuse at the hands of people who have altered the landscape and mistreated the waterway have transformed it into a polluted toxic soup unfit for swimming or fishing The forgotten river is both a reminder of the worst humanity can do to the natural landscape and a wellspring of memory that offers a roadmap back to health and well being for watershed residents human and non human alike Blending stunning

photography with informative and poignant text River of Redemption offers the opportunity to reinvent our role in urban ecology and to redeem our relationship with this national river and watersheds nationwide      *Revelation of the Beast* Betty Evans,2018-04-07 This book is about the revealing of the nation with the false Christ the SON of PERDITION being revealed unto the world and many people will be caught up in his clutches because of unbelief and greed And his number is the number of a man 666      *The Secret Wife of King George IV* Diane Haeger,2001-04-10 A fictional portrait of Maria Fitzherbert chronicles the passionate love affair and secret wedding of King George IV with a beautiful Catholic woman whose marriage was recognized by the Roman Catholic Church but not by English law      **Pseudo-City** D. Harlan Wilson,2005 In Pseudofolliculitis City nothing is as it seems and everything is as it should be Today s forecast calls for extreme confrontation with sandwich flurries and the threat of handlebar mustaches to the west By turns absurd and surreal dark and challenging Pseudo City exposes what waits in the bathroom stall under the manhole cover and in the corporate boardroom all in a way that can only be described as mind bogglingly unreal      *In the Still of the Night* Judith A. Carter,2012-12-26 People are placed in our lives for a reason and for a season Pray for discernment to know whom God wants you to hold on to and who to let go at their appointed time For to hold on to them any longer than God intened is going against His will      Making of the American West Benjamin H. Johnson,2007-05-15 A richly researched evocative account of the individuals and institutions involved in the settling of the non Indian West and of the impact of the development of the West on the nation as a whole Making of the American West surveys the experiences of major social groups in the lands from the Mississippi to the Pacific from the United States penetration of the region in the early 19th century to its incorporation into national political economic and cultural fabric by the early 20th century This revealing volume offers fascinating portraits of the people and institutions that drove the Western conquest traders and trappers ranchers and settlers corporations the federal government as well as of those who resisted conquest or hoped for the emergence of a different society Indian peoples Latinos Asians wage laborers Throughout expert contributors continually return to the growing myth of the West and the impact of its promise of freedom and opportunity on those who sought to Americanize it
