## **Refirement A Boomers Guide To Life After 5:**

An Uncommon Guide to Retirement Jeff Haanen, 2019-05-07 What am I going to do with my retirement People talk about retirement like it's supposed to be an endless vacation But what if like the majority of those facing retirement you can't afford such a luxury Or what if you just want something more from retirement Some advocate for no retirement at all But you've worked for decades and a rest and reprieve do sound appealing What should you do Does God have a purpose for your retirement Yes He does Learn how to discern what it is by taking an uncommon approach Jeff Haanen looks biblically and practically at the need for rest and purpose in retirement And teaches you how to Take a sabbatical rest in early retirement Listen to God's voice for their calling in retirement Rethink work in retirement Understand family systems and leaving a legacy Planning retirement doesn't have to be distressing Retire in a way that's God honoring purpose filled restful and truly biblical

*Life Transitions in America* Francesco Duina, 2014-02-12 We celebrate talk about and worry a great deal about transitions in life Going to college having a first child losing a job and retiring constitute just a few of the pivotal moments in the lives of many Sociologists and psychologists have devoted considerable attention to life transitions Yet we know very little about whether there exists a common thread to our understandings of life transitions in general How do journalists leading politicians sport icons bestselling authors government agencies Hallmark cards popular TV shows and other voices of popular culture talk about transitions in life Do these voices provide a coherent picture of how we make sense of life transitions In this book Francesco Duina shows how the dominant American discourse articulates two basic approaches to transitions in life The first approach depicts transitions as exciting individualistic opportunities for new beginnings the past is cast aside the future is wide open and the self has the opportunity to recreate itself anew The second paints transitions as having to do with continuity our connections to others and the life cycle with an emphasis on acceptance and adaptation Though contrasting the two approaches ultimately complement each other Their analysis reveals a great deal about American culture and society and will be of great interest to students of the life course and the sociology of culture
