Reflection On Vietnam:

Reflections on the Vietnam War United States. Dept. of the Army. Center of Military History, 1979 **The American Experience in Vietnam** The Editors of Boston Publishing Company, 2014-11-07 The updated commemorative volume to the groundbreaking Pulitzer Prize nominated collection from Boston Publishing The American Experience in Vietnam combines the best serious historical writing about the Vietnam War with new never before published photos and perspectives for the fiftieth anniversary of the conflict **Triumph Or Tragedy** Richard N. Goodwin, 1966 **Reflections on Vietnam** R. G. Clarke, 2021-03-27 The war in Vietnam impacted more than just the lives of those who were there it toppled governments forced changes to national policy and forever altered lives But what of those who were there Reflections on Vietnam lays bare the real life experiences of some of those who were there giving insight to the effect of those experiences on those who lived through it Reflections on the Vietnam War Warren Hunt, 2017-12-08 An important contribution to the literature on the war Gary R Hess Emeritus Distinguished Research Professor Bowling Green State University Author Vietnam Explaining America's Lost War In his Reflections on the Vietnam War A Fifty Year Journey Warren E Hunt chronicles his long struggle to come to grips with the meaning of the Vietnam War and how it affected him before during and after his tour in Vietnam with the U S First Infantry Division Using a stylistic mix of personal anecdote historical reflection and essay the author weaves his experience of the war into a broad context encompassing the course of his life Starting out as a naive and patriotic teenager drafted at age 19 he traces his path through military training his impressions of Vietnam and its people the absurdity of daily basecamp life and the crucible of enemy fire Returning to a nation torn apart by the war he soon realizes that even though he is no longer in the army he cannot escape the war's insane grasp Catastrophic events in Vietnam and on the home front along with the dawning awareness of suicides among his fellow veterans prompt him to seek answers to the questions that haunt his daily life Why did America go to war in Vietnam How could we lose Why did so many people have to suffer in vain His quest leads him to the unveiling of the Vietnam Veterans Memorial in Washington D C where painful memories and powerful emotions merge to initiate a healing process for the author his fellow veterans and the country at large **A Vietnam Experience** James B. Stockdale, 2013-09-01 The decade that followed James Stockdale's seven and a half years in a North Vietnamese prison saw his life take a number of different turns from a stay in a navy hospital in San Diego to president of a civilian college to his appointment as a senior research fellow at the Hoover Institution In this collection of essays he offers his thoughts on his imprisonment Describing the horrors of his treatment as a prisoner of war Stockdale tells how he discovered firsthand the capabilities and limitations of the human spirit in such a situation As the senior officer in confinement he had what he humbly describes as the easiest leadership job in the world to maintain the organization resistance and spirit of ten of the finest men I have ever known His reflections on his wartime prison experience and the reasons for his survival form the basis of the writings reprinted here In subject matter ranging from methods of

communication in prison to military ethics to the principles of leadership the thirty four selections contained in this volume are a unique record of what Stockdale calls a melting experience a pressure packed existence that forces one to grow Retired Vice Admiral James B Stockdale a Hoover Institution fellow from 1981 to 1996 was Ross Perot s 1992 presidential running mate and a recipient of the Medal of Honor after enduring seven and a half years as a prisoner of war in North Vietnam He died in 2005 at the age of 81 Triumph or tragedy: reflection on Vietnam Richard N. Goodwin, Vietnam & Beyond Jenny La Sala; Jim Markson, 2014-09-22 Vietnam and Beyond is a collection of wartime letters written home by Jim Markson from March 1967 to March 1968 Jim carried sadness and boxed up memories from Vietnam Perhaps if it were not for the general divided and oppositional public opinion of the Vietnam War at that time the soldiers returning home might have been able to open up and begin the healing process Instead those soldiers returning from Vietnam were afraid to tell their story These fears bound each soldier to the other We are very proud to embrace all veterans and include stories of veterans of all wars including WWII Korea Vietnam Iraq and Afghanistan to show the similarities of war and the soldier from one generation to another *Reflections on the Vietnam War* Cao Van Vien, 1980 *A Reflection on Vietnam 1966* Max Bilinski, 2015-06-01

Veterans & Reflections Of Vietnam War Emmett Akles, 2021-10-22 This book relates poignant recollections from the author s American military service in Vietnam Written in easily understandable verse are 80 emotionally moving pages of 42 separate short reflections His descriptive verses allow us to picture the people the terrain the conditions and the politics of that time This book is written in honor of all those who served and whose lives were affected by the Vietnam War as well as those who lead the fight to create the Vietnam Memorial and to ensure that their sacrifices will never be forgotten The book a story told in verse by a then young Navy Journalist reminds us all of the unforgettable expansive granite monument saluting each of more than 58 000 brave Americans who died in a far off place 58 000 of our finest who died honoring America s commitment to protect and preserve God s gift of freedom **Triumph or Tragedy Reflections on Vietnam** Richard N. Goodwin, 1966 *Vietnam Reflexes and Reflections* Anthony F. Janson, National Vietnam Veterans Art Museum, 1998-10 The long overlooked art of Vietnam War veterans offers a unique perspective on a momentous event in American history Nearly 200 works in a wide ranges of mediums are highlighted from the extraordinary collection at the National Vietnam Veterans Art Museum in Chicago 307 illustrations 123 in color **Vietnam Journal Reflections and Personal Memories** Roger Vanover, 2018-02-14 A soldier s journey into a land of war and his memories of the time and a reflection fifty years later The narrative recalls personal times in his life and how time has given a new perspective *The American Experience in Vietnam* The Editors of Boston Publishing Company, 2014-11-01 The landmark Pulitzer Prize nominated bestselling illustrated history updated for the fiftieth anniversary of the Vietnam War When it was originally published the twenty five volume Vietnam Experience offered the definitive historical perspectives of the Vietnam War from some of the best rising authors on the conflict This new and reimagined edition updates the war on the fifty years that have passed since the war s initiation

The official successor to the Pulitzer Prize nominated set *The American Experience in Vietnam* combines the best serious historical writing about the Vietnam War with new never before published photos and perspectives New content includes social cultural and military analysis a view of post 1980s Vietnam and contextualizing discussion of US involvement in the Persian Gulf Iraq and Afghanistan Even if you own the original *The American Experience in Vietnam* is a necessary addition for any modern Vietnam War enthusiast Praise for *The American Experience in Vietnam* The heart of the book is a well written objectively presented history of the war that includes a lot of military history Vietnam Veterans of America *After the Storm* Paul Drew,1999 Paul Drew could never have predicted the impact that combat and the underlying mood of the nation would have on him and his fellow soldiers The social stigma still stings for most Vietnam vets who were thought of as drug addicted baby killing drones behind a war that was an embarrassing mistake and a failure This is not a combat diary but honest observations about a generation those responsible for the conduct of the war and the events that laid the groundwork for the state of the nation today a nation that still has yet to learn to hate war but respect its warriors ***The Vietnam War Experience*** Paul M Ryan,2020-09-09 The intent of this book is first to provide insights into the Vietnam war and second to express the effects of that war on both the veteran and society Serving in a war zone necessarily affects the psyche sometimes producing symptoms of mental illness It also affects the veteran morally emotionally and too often physically The stories are meant to elucidate the psychological and other effects that war inflicts Often an affected veteran may not realize psychiatric symptoms or their cause Veterans who read this work will recall their military service and also gain some insight into symptoms that they may have experienced or continue to experience as a result of their service The stories are a mix of fact and fiction Some stories are based on the author s experience in Vietnam and on his experience in representing disabled veterans and others with claims for disability benefits Some stories or parts of stories are based on reports of fellow soldiers or on impressions of what likely occurred the product of fact and the author s imagination The poems were written during time served in Vietnam They reflect thoughts that most GIs had at one time or another Hopefully this book will help veterans cope with illnesses and disabilities that were occasioned by their time in the military It is hoped that society will learn how to relate with courtesy and respect to those who now serve or have served our nation in its various wars *Why Vietnam* Margaret Colbert Brown,2025-03-30 Explores the complex reasons behind the USA s involvement in Vietnam analyzing political social and military factors The reasons behind the USA s involvement in Vietnam remain a subject of extensive debate Initially America supported the French until their defeat at Dien Bien Phu which then shifted to backing the South Vietnamese government due to fears of communism spreading throughout Southeast Asia *Why Vietnam* delves into the myriad reasons for US involvement examining theories that date back to 1918 when Woodrow Wilson ignored Ho Chi Minh s plea for independence at the Treaty of Versailles through to Johnson s full commitment to the undeclared war which restrained the military to a defensive role in protecting South Vietnam instead of an offensive one that would send troops

across the DMZ into Laos and Cambodia The questions of why the USA became involved whether their involvement was justified and if the war was ever winnable have been fiercely debated for over 50 years This book seeks to address these whys by providing a thorough examination of all contributing factors from presidential actions to foreign policy and the social and political climates of the war era **More Than a Memory** Victor R. Volkman,2008-01-01 Featuring the work of 15 Viet Nam War veteran writers this anthology of poems stories and essays looks through the lens of past and present perspectives and defines how modern warfare affects the lives of those who lived it and their families *Vietnam Reflection* Michael T Keene,2017-01-01 Eight boys from Holley New York died fighting in Vietnam This is believed to be one of the highest casualty rates per capita of any town and school in the United States
