

The changing of sunlight to moonlight
Reflections of my life, oh how they fill my eyes
The greetings of people in trouble
Reflections of my life, oh how they fill my eyes

All my sorrow, sad tomorrow
Take me back to my old home
All my crying, feel I'm dying, dying
Take me back to my old home

Reflections On My Life:

Reflections on Body Dysmorphic Disorder: Stories of Courage, Determination and Hope Nicole Schnackenberg Sergio Petro, 2016-11-09 With a Foreword by Professor Katharine Phillips and an Introduction by Professor David Veale and Doctor Rob Willson Body dysmorphic disorder BDD is characterised by a preoccupation with a perceived defect or defects in one's appearance These flaws are either unnoticeable to the outside eye or seen as nothing more than a normal physical variation To the person with BDD however the abhorred aspects of their appearance cause significant shame and distress Some hide away and become housebound sometimes for many years BDD affects males and females almost equally and has one of the highest suicide rates of any mental illness Despite the extreme suffering experienced by people with BDD it is possible to learn to cope with and even completely move beyond it The stories in this volume powerfully attest to this Gathered here are thirty six lived experiences of people with BDD and their loved ones They are stories of tremendous bravery immeasurable determination and incredible hope

Expansive Prayer Philip A. Verhalen, 2004 In this deeply thoughtful innovative work longtime college and high school teacher draws on his many years experience in leading prayer to fashion a different kind of prayer took For it he has selected various scriptural passages and applied them to the four seasons of the calendar year Based loosely on an Ignatian model of meditation he provides the reader with a brief introduction before presenting a passage from Scripture and a reflection to follow The introduction guides us into the world of scripture and the reflection helps us to ponder the relevance of the passage in our own lives The author embraces a current practical view of spirituality that is meant to be evocative of spiritual issues He will make you think as he helps you pray
