Daily Reflections on Divine Mercy John Paul Thomas, 2016-03-17 Daily Reflections on Divine Mercy was written to provide an awakening to the abundant Mercy of God It offers daily reflections and prayers to help deepen the day to day faith life of every Catholic so that you can understand the abundance of Mercy poured forth from the Heart of our Savior as it is revealed in the writings of Saint Maria Faustina Kowalska Divine Mercy in My Soul Diary of Saint Maria Faustina Kowalska is soon to become a classic spiritual book that everyone is encouraged to read in their lifetime However many find this invitation intimidating not just because of the width of her book but because of the depth of its message on The Divine Mercy in each of Saint Faustina's notebook entries This book Daily Reflections on Divine Mercy was written with the hope of guiding you through Saint Faustina's Diary and her six notebooks of reflections It can be used on its own to help you pause and reflect on the beauty of Jesus messages to her or as a companion book as you simultaneously read Saint Faustina's Diary Daily Reflections on Divine Mercy offers 365 daily teachings reflections and prayers based upon the pages of Saint Faustina's Diary The structured way to use this daily reflection book is to do just that reflect upon one page each day However some may feel called to skip around a bit read a few reflections at a time or return to a particular reflection through which God spoke to you Therefore though this book was written with the intent of providing one reflection for each day of the year the best way to use it is any way you feel called and the way that benefits your relationship with God the most The first paragraph for each day offers this author's insights to the words and teachings of Saint Faustina The section of her Diary used for the day's teaching is marked so that the reader can also read her Diary first hand so as to see the primary source that the author of this book took inspiration from for that day's reflection Though the primary text of the Diary is never quoted nor are the reflections of this book exact representations of the Diary they do provide the foundational basis for the spiritual message shared in each reflection The second paragraph for each day offers a short reflection put more as a question to the reader It offers the same insight in a different format so as to enter more deeply into the message of the day Finally each daily reflection ends with a prayer focused upon the message and reflection for that day The reader is encouraged to pray this prayer several times Ideally it is prayed first thing in the morning again during the day and again at night as an examination on how well the daily message was received As you seek to survive the world we live in allow these pages to be a font of Mercy for you from God Allow God's Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others

Reflections on Life Richard Elliott, 2021-03-16 12 In Reflections on Life the author shares a journey a very personal journey that includes his struggle with addressing two provocative questions once lifted in prayer by St Francis of

Assisi Who are you oh God and who am I The reader will discover how the author's journey transformed him from a nonpracticing nominal Christian to a committed follower of Christ whose faith grows stronger with each new day This book is divided into two sections each of which provides revealing insights on how the author ultimately found answers to the essential questions posed by St Francis centuries ago Section 1 Who Am I offers a biographical background that focuses on both who and what helped the author deal with life's challenges and influenced him to develop a firmly grounded belief system This belief system evolved from an I know all the answers and need no one perspective to one that acknowledged I do not have all the answers and am dependent on others to solve life's inevitable problems Section 2 Living a Christian Life is Not Easy Spiritual Journey focuses on the author's spiritual journey and how one must learn to give up some of their secular ways Changing secular ways requires both a willingness to change and hard work One must learn to forgive oneself and others stop being judgmental realize that it is not about them and put God first in everything and know that God is always with them This section shares the author's plan and model for success Our life journeys provide countless challenges and endless opportunities How we respond to what life brings our way will in large measure determine our ability to be successful in dealing with what we experience May all who read Reflections on Life find something that supports them with their journey through this life
