Scholl,2013-06-17

Humanism is considered by many to be the foundation for the values and practices of counseling. This book explores and presents current counseling issues from a humanistic perspective, providing a valuable resource for counselors and therapists seeking effective approaches founded on humanistic principles to use in their practice. Each chapter describes the significance of a specific counseling issue, reviews the humanistic literature on this issue, discusses the theoretical model provided by a humanistic perspective, and concludes with applications and implications for practitioners. Situations considered include, among others, marital couples counseling, multicultural counseling, and healing trauma, all of which have been shown to benefit from the use of humanistic approaches. Applications in educational settings, such as addressing school violence, working with at-risk youth, and counseling in college and university settings, are also discussed. The book concludes with a section on uses of humanistic approaches in counselor education and training. After reading this book, practitioners will be inspired to advocate for counseling's holistic and empowering approach to helping all individuals across the lifespan.

Create Your Life Book Tamara Laporte, 2017-12-19. Inspired by artist Tamara Laporte's popular online art classes, willowing.org, *Create Your Life Book* presents 18 step-by-step mixed media drawing and painting projects that encourage self-fulfillment through the creative process. Tamara's kind, non-judgmental voice guides your way. What is holding you back? Where do you want to go? Let go of the past. Use these expressive exercises to help you recognize your personal challenges and other obstacles, then work through them. Let go of limiting beliefs, find courage, feel gratitude, heal pain, and develop self-love as you playfully create. Each themed chapter presents four to five two-part projects. First, you will explore a common issue that hampers creativity and/or positive self-worth. The second portion is a step-by-step mixed media art project designed to help you work through that issue. Just a few of the explorations: Let go of what no longer serves you by taking stock of what's holding you back, then create a zentangle butterfly to symbolize you flying away from those limiting things. Embrace and love your inner quirky bird by taking an inventory of your quirky traits, then create a bird that celebrates them. Heal old wounds by writing a letter to yourself as a child, then create a house to keep your inner child safe. Adding rich variety to the messages and art inspiration, some of the project outlines have been contributed by Tamara's guest teachers: Roxanne Coble, Andrea Gomoll, Alena Hennessy, Mystele Kirkeeng, Ivy Newport, and Effy Wild, each of whom are noted mixed media artists in their own right. The final chapter presents a simple binding method for creating a keepsake book of your Life Book projects. Steeped in inspirational images and uplifting affirmations, *Create Your Life Book* can help you achieve both personal and creative growth.
