Reflections On A Trail Taken:

Take Back your Mountain - Success and reflection from Everest Base Camp Jeff Hutchens, 2013-05-31 Are you looking for a bit of an adventure That is exactly how I felt when I decided to hook up with a couple of friends from school and take on the adventure of a lifetime This book is an account of one of the most difficult challenges I have faced so far on the trek to Everest Base Camp during Easter 2013 It contains all of my experiences including the highs and lows from the trail and my personal reflections and coaching lessons from the trip It is a tale of how I took back my own personal mountain and a challenge for you to take back yours It is written in the hope that you too will find your own adventure and enjoy living the life of your dreams It is time to Take Back your Mountain *NASA Technical Translation* ,1972 *Reflection Point* Emily March, 2013-03-26 In beloved author Emily March s novel about a special place and its remarkable residents a woman betrayed by life discovers the healing power of love in Eternity Springs Savannah Moore arrives in Eternity Springs alone determined to put her troubled past behind her Her handcrafted soap shop fits right in with the magic of this warm and welcoming community but the sexy suspicious local sheriff promises to upset her hard won happiness Zach Turner knows this woman means trouble Maybe to his town Possibly to his friends Definitely to his heart Something about this simmering Southern beauty does crazy things to his committed bachelor status taunting him with possibilities far beyond his dedication to his sometimes dangerous job So when Savannah s dark past follows her to town wreaking havoc with both their lives Zach will fight for all he s worth for a love he can t afford to lose Includes an excerpt from Emily March s Eternity Springs novel *Miracle Road* Praise for Emily March and *Reflection Point* Eternity Springs is a small town in the Colorado Rockies populated with people I delight in visiting again and again New York Times bestselling author Susan Mallery With passion romance and revealing moments that will touch your heart March takes readers on an unhurried journey where past mistakes are redeemed and a more beautiful future is forged one miracle at a time USA Today The matchmakers are at it again in Eternity Springs and with a bit of angel dust will help the hero and heroine discover the healing power of love All the characters are wonderfully complex and the surprise involving one of them is nicely done Readers will be eager to reach the end yet sad to get there RT Book Reviews *Reflection Point* is a sweet heartwarming novel that will leave you feeling giddy Joyfully Reviewed For a wonderful read don t miss a visit to Eternity Springs New York Times bestselling author Lisa Kleypas March has a way of touching something soul deep in each of her characters and bringing that feeling to life with every word *Coffee Time Romance* *Great Thoughts from Master Minds* ,1908 *Theological Reflections at the Boundaries* Paul O. Ingram, 2011-11-04 The interdependence of boundary questions and the experience of cognitive dissonance reveal that knowledge in all fields of inquiry is always incomplete and tentative The issues are particularly acute for Christian theological reflection Ingram illustrates the importance of boundary questions and cognitive dissonance as a means of creatively transforming contemporary Christian theological reflection through dialogue with the natural sciences and the world s

Metacognition, Metahumanities, and Medical Education Alan

Bleakley,Quentin Eichbaum,Rachel Ellaway,2024-09-30 This persuasive volume develops a novel approach to medical education and the medical humanities making a case for the integration of the two to explore the ways in which warm humanism and cold technologies can come together to design humane posthumanist futures in medicine There are many problems with conventional medical education It can be overly technocratic dehumanizing and empathy eroding introducing artefacts that lead to harm and reproduce inequality and injustice Use of the arts humanities and qualitative social sciences have been pursued as an antidote or balance to these problems Arguing against the purely instrumentalist use of medical humanities in this way this book addresses the importance of a genuine and open ended engagement with humanities approaches in medicine It discusses the impact of artificial intelligence and emerging theoretical frameworks and posthumanist perspectives such as object oriented ontology on meaning making in medicine It demonstrates how the key to such a transition is the recovery of the intrinsic art and humanity of metaphor heavy biomedical science in turn framed by models of dynamic complexity rather than static linearity This book is an important contribution to debates around the medical humanities and its role in medical education It is an essential read for scholars with an interest in these areas as well as those working in science and technology studies and the sociology of health and illness
