[Daily Reflections on Divine Mercy](#) John Paul Thomas, 2016-03-17 Daily Reflections on Divine Mercy was written to provide an awakening to the abundant Mercy of God It offers daily reflections and prayers to help deepen the day to day faith life of every Catholic so that you can understand the abundance of Mercy poured forth from the Heart of our Savior as it is revealed in the writings of Saint Maria Faustina Kowalska Divine Mercy in My Soul Diary of Saint Maria Faustina Kowalska is soon to become a classic spiritual book that everyone is encouraged to read in their lifetime However many find this invitation intimidating not just because of the width of her book but because of the depth of its message on The Divine Mercy in each of Saint Faustina s notebook entries This book Daily Reflections on Divine Mercy was written with the hope of guiding you through Saint Faustina s Diary and her six notebooks of reflections It can be used on its own to help you pause and reflect on the beauty of Jesus messages to her or as a companion book as you simultaneously read Saint Faustina s Diary Daily Reflections on Divine Mercy offers 365 daily teachings reflections and prayers based upon the pages of Saint Faustina s Diary The structured way to use this daily reflection book is to do just that reflect upon one page each day However some may feel called to skip around a bit read a few reflections at a time or return to a particular reflection through which God spoke to you Therefore though this book was written with the intent of providing one reflection for each day of the year the best way to use it is any way you feel called

and the way that benefits your relationship with God the most The first paragraph for each day offers this author's insights to the words and teachings of Saint Faustina The section of her Diary used for the day's teaching is marked so that the reader can also read her Diary first hand so as to see the primary source that the author of this book took inspiration from for that day's reflection Though the primary text of the Diary is never quoted nor are the reflections of this book exact representations of the Diary they do provide the foundational basis for the spiritual message shared in each reflection The second paragraph for each day offers a short reflection put more as a question to the reader It offers the same insight in a different format so as to enter more deeply into the message of the day Finally each daily reflection ends with a prayer focused upon the message and reflection for that day The reader is encouraged to pray this prayer several times Ideally it is prayed first thing in the morning again during the day and again at night as an examination on how well the daily message was received As you seek to survive the world we live in allow these pages to be a font of Mercy for you from God Allow God's Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others

**Reflections and Observations on Mark Twain's "The Gilded Age: A Tale of Today"** Fritz Dufour, 2021-02-27 The Gilded Age a Tale of Today is a depiction of those crimes committed in the United States in the late 19th Century which so frequently went unpunished and of the casualties which ought to be called crimes The description severely winds up with the satirical verdict No one to blame The project of Colonel Sellers for raising mules for the Southern markets is a satire upon the fraudulency and soap bubble speculation of capitalists The work is full of hints and descriptions that take their rise from the frauds and outrages under which the country had plagued for so many years Family social and national questions are all cleverly satirized The monument erected to the memory of the Father of his country a monument begun but of course never completed calls forth some strokes of bitter but not unjust humor The means by which preferment is obtained in Washington are amply satirized There are two views of this book favorable and unfavorable This essay considers both For instance while some critics think that it is incoherent others suggests that the narrative departs from the traditional methods of concluding and is thereby more natural than most novels because every chapter of the book bears the marks of both writers and is therefore a novelty in its way In this essay I argue that The Gilded Age is essentially a satire and should always be accepted as such Of course other good contemporary books did not make it to our time in terms of popularity and legacy The Gilded Age did We talk write and read about it to this day Evidently it is an integral part of the annals of American literature and fully contributes to Mark Twain's reputation legacy and lasting influence
