Jewish Law Annual (Vol 7) Bernard S Jackson, 2021-12-17 First Published in 1988 The Annual is published under the auspices of The Institute of Jewish Law Boston University School of Law in conjunction with the Oxford Centre for Postgraduate Hebrew Studies and the International Association of Jewish Lawyers and Jurists This volume concludes the symposium on the philosophy of Jewish law which started in Volume 6 It concludes with a response by the late Julius Stone to most of the preceding articles This edition looks at natural law and Judaism Halakhah and the Covenant Jewish attitudes towards the taking of human life mortality and a study of Solomon Freehof *Reform Jewish Practice and Its Rabbinic Background. Vols. I and II* Solomon B. Freehof, 1976

Guidance, Not Governance Joan S. Friedman, 2013-09-01 Solomon Bennett Freehof 1892 1990 was one of America's most distinguished influential and beloved rabbis Ordained at Hebrew Union College in 1915 he was of the generation of rabbis from east European immigrant backgrounds who moved Reform Judaism away from its classical form toward a renewed appreciation of traditional practices Freehof himself was less interested in restoring discarded rituals than in demonstrating how the Reform approach to Jewish religious practice was rooted in the Jewish legal tradition halakhah Opposed to any attempt to create a code of Reform practice he nevertheless called for Reform Judaism to turn to the halakhah not in order to adhere to codified law but to be guided in ritual and in all areas of life by its values and its ethical insights For Reform Jews Jewish law was to offer guidance not governance and this guidance was to be provided through the writing of responsa individual rulings based on legal precedent written by an organized rabbinic authority in response to questions about real life situations After World War II the earlier consensus about what constituted proper observance in a Reform context vanished as the children of east European immigrants flocked to new Reform synagogues in new suburbs bringing with them a more traditional sensibility Even before Freehof was named chairman of the Central Conference of American Rabbis Responsa Committee in 1956 his colleagues began turning to him for guidance especially in the situations Freehof recognized as inevitably arising from living in an open society where the boundaries between what was Jewish and what was not were ambiguous or blurred Over nearly five decades he answered several thousand inquiries regarding Jewish practice the plurality of which concerned the tensions Jews experienced in navigating this open society questions concerning mixed marriage Jewish status non Jewish participation in the synagogue conversion and so on and published several hundred of these in eight volumes of Reform responsa In her pioneering study Friedman analyzes Freehof's responsa on a select number of crucial issues that illustrate the evolution of American Reform Judaism She also discusses the deeper issues with which the movement struggled and continues to struggle in its attempt to meet the ever changing challenges of the present while preserving both individual autonomy and faithfulness to the Jewish tradition

Jacob, Moshe Zemer, 2002-08-01 THE FREEHOF INSTITUTE OF PROGRESSIVE HALAKHAH The Freehof Institute of Progressive Halakhah is a creative research center devoted to studying and defining the progressive character of the halakhah in accordance with the principles and theology of Reform Judaism. It seeks to establish the ideological basis of Progressive halakhah and its application to daily life. The Institute fosters serious studies and helps scholars in various parts of the world to work together for a common cause. It provides an ongoing forum through symposia and publications including the quarterly newsletter Halakhah published under the editorship of Walter Jacob in the United States. Our Academic Council includes the foremost halakhic scholars in the Reform Liberal and Progressive rabbinates as well as a number of Conservative and Orthodox colleagues and university professors. This book follows the volumes Dynamic Jewish Law Progressive Halakhah Essence and Application 1991 Rabbinic Lay Relations in Jewish Law 1993 Conversion to Judaism in Jewish Law 1994 Death and Euthanasia in Jewish Law 1995 The Fetus and Fertility in Jewish Law 1995 Israel and the Diaspora in Jewish Law 1997 Aging and the Aged in Jewish Law 1998 Marriage and Its Obstacles in Jewish Law 1999 Crime and Punishment in Jewish Law 2000 and Gender Issues in Jewish Law 2001. It is part of a series whose subjects are diverse and the approaches taken by the authors are equally so. We wish to encourage wide ranging discussions of contemporary and historic themes. Jewish Religious Law John D. Rayner, 1998 Reconstructs Jewish law or Halachah to make it more consistent with the principles of Progressive Judaism. Beginning with a brief history of the Progressive movement in 20th century Judaism, the author continues with illustrations of how traditional law must be adapted to the views of modern liberal Jews. The Halachic problems addressed range from Jewish territorial rights in Israel, divorce law and questions of medical ethics such as organ transplantation to the recycling of old prayerbooks. Paper edition, unsewn, 155 pp. Annotation copyrighted by Book News, Inc., Portland, OR. *Jewish given Names and Family Names* David L. Gold, 2001-12-01 This work identifies and describes over 3,000 books, essays, in books and articles on Jewish given names and family names throughout history, spanning the Biblical period to modern times. The bibliography is a highly analytic one, recording published materials in a wide variety of research languages, treating Jewish anthroponymy in the broadest sense, from historical, sociological and linguistic perspectives. The bibliography will be an invaluable resource for any researcher engaged in etymological studies, Jewish intralinguistics or Jewish family history. **The Evolution of Judaism from Ezra to the Present** Martin Sicker, 2019-07-15 Pharisaic Judaism, discussed in part 1 of this study, was an inseparable element in the political history of the Second Hebrew Commonwealth. With the destruction of the Second Temple in Jerusalem, along with the skeleton of what was once a Jewish state, Judaism entered a period of crisis far more severe than experienced with the destruction of the First Temple, along with the First Hebrew Commonwealth. Pharisaic Judaism, integral to the now nonexistent Jewish state of necessity, gave way to Rabbinic Judaism, which, as a minority religious culture, took root primarily in the enclaves of Jews strewn throughout the diaspora, with little or mostly no control over their very existence. And in the absence of a centralized religious authority such as the

Sanhedrin in the Temple complex Jewish communities throughout the Diaspora developed different religious customs traditions and in some instances belief systems all nominally based on the core teachings of Scripture Part 2 of this study of the evolution of Judaism from Ezra to the present day will attempt to trace significant developments along that evolutionary path from the transition from Pharisaic to Rabbinic Judaism that is Judaism as understood by the different schools of rabbis as decisors scholars and teachers over the past two millennia
