An Introduction to Theology in Global Perspective Stephen B. Bevens, 2009 A comprehensive work on doing theology as part of the Catholic ecclesial community in today s world

A Very Brief Introduction to Reformation Doctrine Corneliu C. Simut, 2024-12-17 This book is for anyone who has an interest in the theology of the Reformation irrespective of one s prior training in the field Undergraduate students and laypersons will find it particularly helpful because it does not require any previous acquaintance with Reformation doctrines All those who want to become minimally acquainted with Reformation thought would therefore find it useful to read or perhaps only browse because the chapters can be approached individually which means that they can read in any order Those who want to delve a little deeper into Reformation issues have a selection of over four hundred sources in the bibliography that can be consulted for further reference

A Theological Journey Ghislain Lafont, 2007 From the earliest proclamation of the Gospel to the present Benedictine theologian Gillian Lamont traces the development of the Christian faith In A Theological Journey now available in this superb translation by John Burkhard OFM Conv Lafont explores key doctrines of the faith as they developed in answer to the needs and questions of people in each age He then engages the questions and risks of today s world inviting us to consider our place as Christians in history and in an increasingly globalized world In the final analysis Lafont s theological journey aims at inspiring us to hope in the midst of a world marked by conflict pain and suffering Ghislain Lafont OSB 1928 2021 was a monk of the Abbey of La Pierre qui vire France Lafont taught theology in his monastic community as well as at the Athenaeum San Anselmo and the Gregorian University both in Rome John J Burkhard OFM Conv is Professor of Systematic Theology at Washington Theological Union in Washington D C He is the author of Apostolicity Then and Now Liturgical Press 2004 and the translator of Ghislain Lafont s Imagining the Catholic Church Liturgical Press 2000

Books in Early Modern Norway Gina Dahl, 2011-07-12 During recent decades much has been written about early modern book distribution but until now Norway has been absent from the discussion Drawing on book listings this study seeks to fill this lacuna by exploring the market for books in early modern Norway Its approach is

multifaceted consideration of the types of books accessed by different elements of Norwegian society is set alongside developments within the book market itself such as the extended life of popular books the gradual replacement of Latin by the vernacular and the rise in the eighteenth century in the number of books available on the market The study demonstrates the internationality of the Norwegian book market while acknowledging specific patterns that determine its Norwegian character

RetroChristianity Michael J. Svigel, 2012-04-30 Evangelicalism is in trouble Surveying the modern evangelical landscape professor Michael Svigel asks Why does evangelicalism appear to be spinning out of control losing appeal to younger generations dwindling in numbers or selling out to pop culture to muster a crowd He seeks to answer this question by looking to the past to a Retro Christianity Calling for a return to evangelicalism s historical and theological roots Svigel begins by addressing some of present day evangelicalism s problems and explores what can be done to help churches regain a healthy perspective on doctrine He then gives practical examples of what establishing a biblical historical and theologically sound foundation will mean for Christians as they think through aspects of church life and worship As the numbers of those confused or disenchanted with evangelicalism continue to grow Svigel s book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith

Voices of the Reformation John A. Wagner, 2015-05-05 This fascinating collection of primary source documents furnishes the accounts in their own words of those who initiated advanced or lived through the Reformation Starting in 1500 Europe transformed from a united Christendom into a continent bitterly divided between Catholicism and Protestantism by the end of the century This illuminating text reveals what happened during that period by presenting the social religious economic political and cultural life of the European Reformation of the 16th century in the words of those who lived through it Detailed and comprehensive the work includes 60 primary source documents that shed light on the

character personalities and events of that time and provides context questions and activities for successfully incorporating these documents into academic research and reading projects A special section provides guidelines for better evaluating and understanding primary documents Topics include late medieval religion Martin Luther reformation in Germany and the Peasants War the rise of Calvinism and the English Reformation [The Eucharistic Pamphlets of Andreas Bodenstein von Karlstadt](#) ,2011-03-01 Andreas Bodenstein von Karlstadt played a key role in the development of the evangelical understanding of the Lord s Supper In 1521 he wrote several pamphlets urging a reform of the Mass In 1524 he broke with Martin Luther and published a second group of pamphlets rejecting the traditional belief in Christ s corporeal presence in the Eucharist Despite the importance of Karlstadt s tracts they are little known today and his understanding of the Lord s Supper is often reduced to a caricature For the first time Amy Nelson Burnett translates his thirteen pamphlets into English illuminating Karlstadt s importance for the Reformation debate over the Eucharist and his contribution to what would become Reformed sacramental theology **Luther and Calvin** Charlotte Methuen,2011-11-21 Martin Luther and John Calvin have both left dramatic and lasting influences on Christianity and on European society Their calls for reform led to the church breaking off in different directions and people and nations believed so passionately for or against their causes that wars ravaged Europe for decades But what exactly did they teach This book presents Luther and Calvin in context looking at the work and ideas of each in turn and then at the making of Lutheranism and the Reformed tradition showing how the sixteenth century Reformation began a process of political and intellectual change that went beyond Europe to the New World The result is that today its influence is tangible all over the Western world Perfect for those who want to understand and engage with what Luther and Calvin thought and with the debates surrounding interpretation this book is an excellent introduction to two of Christianity s most famous thinkers Charlotte Methuen teaches Church history at the University of Glasgow and has also worked at the Universities of Hamburg Bochum Oxford and Mainz She specializes in the Reformation period and is the author of numerous books and articles *Reformation Heroes* Joel R. Beeke,Diana Kleyn,2007-01-10 The Reformation did not happen instantaneously it was something God patiently arranged over a number of years As you read this book you will learn how the Lord used some people to plant the seeds of church reform long before October 31 1517 when Martin Luther published his ninety five theses Luther s story is well known we trust you will find it interesting and instructive to read about him and about forty others John Knox Peter Martyr Vermigli Zacharias Ursinus Willem Teellinck etc who contributed to the Reformation some well known and others not so most of whom are Reformation heroes To provide a more full picture of the many sided Reformation chapters are also included on the Anabaptist and Counter Reformation movements The book concludes with a brief summary of the influence of the Reformation in different areas of life

Matthew's Account of the Massacre of the Innocents in Light of its Reception History Sung J. Cho,2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great s massacre in Matthew 2 16 18 questioning why such a

tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho s examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives **Reclaiming Divine**

Wrath Stephen Butler Murray,2011-09-02 Following the 9 11 terrorist attacks in the United States there was prolific misuse and abuse of the concept of divine wrath in church pulpits In pursuit of a faithful understanding of what he calls a lost doctrine the author of this study investigates the substantial history of how the wrath of God has been interpreted in Christian theology and preaching Starting with the Hebrew and Christian Scriptures and moving historically through Christianity s most important theologians and societal changes several models of divine wrath are identified The author argues for the reclamation of a theological paradigm of divine wrath that approaches God s love and God s wrath as intrinsically enjoined in a dynamic tension Without such a commitment to this paradigm this important biblical aspect of God is in danger of suffering two possible outcomes Firstly it may suffer rejection through conscious avoidance of the narrow misinterpretations of divine wrath that dominate contemporary theology and preaching Secondly irresponsible applications of divine wrath may occur when we neglect to engage and understand the wrath of God as inseparable from God s justice and love in Christian theology and proclamation **The Christology of Erasmus** Terence J. Martin,2024-01-12 The purpose of

this book is to distill the Christological elements from his voluminous corpus in a manner that shows the range the coherence and the value of Erasmus thinking on matters Christological While Erasmus works within the broad parameters of orthodox teaching his critical skills with languages accent on rhetoric in theology keen sense of irony appreciation for the limits of human knowledge incipient sense of history emphasis on the welfare of humanity and passionate defense of peace give his work a distinctive stamp and thereby make a singular contribution to the history of Christology **Expanded EU** Kseniya
