Reforming For Results In The U N System A Study Of Unops:

Reform for Result in the UN System D. Dijkzeul, 2000-01-01 The United Nations Office for Project Services UNOPS is the only UN organization that is self financing through fees earned on project management provision of services in all development and humanitarian fields Following a disruptive merger process its future looked in doubt Combining perspectives from the disciplines of international relations business and public administration this book describes and analyses the ensuing reform its problems and successes as well as its relevance to other UN organizations and New Public Management theory

Reform for Result in the UN System D. Dijkzeul, 2000-06-05 The United Nations Office for Project Services UNOPS is the only UN organization that is self financing through fees earned on project management provision of services in all development and humanitarian fields Following a disruptive merger process its future looked in doubt Combining perspectives from the disciplines of international relations business and public administration this book describes and analyses the ensuing reform its problems and successes as well as its relevance to other UN organizations and New Public Management theory

Reforming the United Nations Joachim Mueller, 2016-05-23 The UN celebrated its 70th anniversary in 2015 In the Volume *Reforming the UN A Chronology* by Joachim Mueller an exciting story is told describing the evolution of the UN through the main change initiatives applied by each Secretary General characterized by political confrontations crises of confidence and organizational constraints Initiatives included approving the Sustainable Development Goals strengthening peacekeeping enlarging the Security Council establishing mechanisms to protect human rights improving aid efficiency and reforming management practices This story is completed by a Chronology of Reform Events to enhance the transparency of parallel multi layer reform tracks Lessons learned highlight the main drivers of changes the interests and constraints and the dynamics of the reform process valuable insight for capitalizing on future change opportunities

REINVENTING THE UNITED NATIONS AMIT K. BANERJEE, MURARI R. SHARMA, 2007-10-05 Established after World War II the United Nations strives to save successive generations from the scourge of war This vital world body has undoubtedly succeeded in resolving many conflicts through its political and peacekeeping missions and nurtured peace through its development support though not always with the efficiency and effectiveness expected of it The world is vastly different today from the days when the United Nations was set up The challenges that the United Nations faces in the 21st century are much more complex and deadly than they were 60 years ago Reforming and reinventing the United Nations should therefore be a matter of great interest to the international community To tackle the challenges ahead the United Nations needs to re engineer its organizational arrangements reorient its processes revamp its decision making systems and reform its human resource and financial management to get the best results from them This book suggests measures for restructuring the Security Council rationalizing the constituent systems of the General Assembly the ECOSOC and the Secretariat and strengthening the peacekeeping corruption control and accountability mechanisms The book is a

collaborative endeavour involving contributions from international authority figures in areas such as peace and security development assistance resource management leadership and ethics The vision projected by them on the major issues inscribed on the United Nations agenda is meant to encourage fresh thinking on the part of opinion leaders diplomats academics experts in foreign affairs and UN staff so that this intergovernmental institution could be effectively geared to respond to the emerging challenges of the 21st century Reinventing the United Nations would be of interest to the public and particularly the postgraduate students of political science international law and international relations as well as diplomats public affairs professionals and social science scholars at various levels *United Nations Development Programme and System (UNDP)* Stephen Browne, 2012-06-25 This volume provides a short and accessible introduction to the organization that serves as the primary coordinator of the work of the UN system throughout the developing world the United Nations Development Programme UNDP The book traces the origins and evolution of UNDP outlining how a central UN funding mechanism and field network developed into a more comprehensive development agency evaluates the UNDP's performance and results both in its role as system coordinator and as a development organization in its own right considers the return of the UNDP to a more central role within the UN development system in order to review the successive attempts at UN development system reform the reasons for failure and the future possibilities for a more effective system with the UNDP at the centre Offering a clear comprehensive overview and analysis of the organization this work will be of great interest to students and scholars of development studies international organizations and international relations **Rethinking**

International Organizations Dennis Dijkzeul, Yves Beigbeder, 2003 The management of international organisations is attracting growing attention This text provides a fundamental rethinking of current approaches criticism and cures for these organisations **International Organizations as Self-directed Actors** Joel E. Oestreich, 2012 This text illustrates and advances the argument that International Organizations IOs need to be taken seriously as actors in world affairs The text examines recent theories that suggest how IOs are able to set their own policies and implement them in meaningful ways

International Handbook of Public Procurement Khi V. Thai, 2017-09-25 Since the 1990s government at all levels is under increasing pressure to do more with less However despite the U S government spending about 15 to 20 percent of its GDP on contracts for goods and services there is a paucity of reference books for public procurement officials and very few textbooks for courses on the subject Filling this void the International Handbook of Public Procurement provides the knowledge necessary to understand how procurement works and how to improve the cost effectiveness of procurement systems Taking a multidisciplinary approach the book focuses on the managerial economic political and legal aspects of this topic It begins with a conceptual framework and highlights various reforms occurring in certain countries By examining these improvements readers are able to apply this knowledge to their own strategies The next section presents selected cases that illustrate the public procurement process examining systems in various nations including Germany China South Africa Cambodia Uganda

and Estonia The book also discusses the rise of electronic procurement systems E procurement and reviews the benefits of these efficient systems Other topics presented in this comprehensive volume include practical discussions on contract negotiations bidding price strategies and cost analysis and an insightful chapter on the market s response to contract award announcements A virtual encyclopedia from numerous international experts this book was assembled by Khi V Thai Professor at Florida Atlantic University and Editor of the Journal of Public Procurement Dr Thai has provided technical assistance in the area of public procurement to governments across the world Empowering those on all sides of the issue this volume dispenses advice valuable to government officials and contractors as well as providing a comprehensive text for public administration students

Encyclopedia of the United Nations and International Agreements: T to Z Edmund Jan Osmańczyk, 2003 This thoroughly revised and updated edition is the most comprehensive and detailed reference ever published on United Nations The book demystifies the complex workings of the world s most important and influential international body

A Global Agenda Diana Ayton-Shenker, 2002 This annual publication provides readers with the most accurate complete and up to date information on the work of the United Nations Designed to serve international affairs experts concerned citizens and students each volume of A Global Agenda offers a comprehensive overview of the complex and disparate activities of the entire UN system over the course of a year and describes their significance within the context of contemporary events Sponsored by the United Nations Association of the United States of America

Journal of Economic Literature , 2001

U. N. Office for Project Services Thomas Melito, 2010-06 The United Nations U N Office for Project Services UNOPS provides numerous services for its clients including procurement and project management Recent audits and investigations of UNOPS have revealed alleged violations of law weak internal controls and financial mismanagement UNOPS officials misused some of the more than 400 million awarded to UNOPS by the U S Agency for International Development USAID from 2004 through 2008 This report 1 assessed the extent to which UNOPS has addressed key concerns about its internal controls and 2 evaluated USAID s oversight of UNOPS implemented projects To address these objectives the report reviewed UNOPS and USAID policies and grant documentation Illus

A Global Agenda Angela Drakulich, 1994

A Global Agenda , 2002 Issues before the General Assembly of the United Nations

A Contemporary Analysis of Kenya's Foreign Policy Stephen Magu, 2024-09-11 This book presents a comprehensive analysis of Kenya s foreign policy decisions examining its pivotal role in global affairs and its interplay with regional and international dynamics Through an insightful exploration of Kenya s national security concerns and diplomatic engagements the book delves into the intricate nexus between geography political stability and foreign policy Featuring a near chronological examination the book is organized thematically with each chapter analysing Kenya s multifaceted foreign policy landscape From exploring the genesis of Kenya s foreign policy to unravelling the political intricacies of territorial integrity and regionalism the book illuminates the nation s historical journey in the global arena Drawing on empirical research it presents the complexities of

Kenya's involvement in regional conflicts and its substantial contributions to international peacekeeping efforts. Furthermore, it offers a nuanced understanding of Kenya's engagement in global multilateral platforms, shedding light on its contributions to the UN Security Council and other international governing bodies. By critically analysing the socio-economic implications of global policies such as the Washington Consensus and Structural Adjustment Programs, the book details the intricate web of influences shaping Kenya's economic landscape and its intricate relations with other nations. Engaging readers with a deep exploration of Kenya's role in addressing humanitarian crises and its response to global challenges, the book provides a compelling narrative on how a seemingly small power can significantly influence broader global dynamics. By emphasizing the intricate relationship between local challenges and global implications, the book serves as an indispensable guide for scholars, policymakers, and global stakeholders seeking to comprehend the nuanced interplay of geopolitics, diplomacy, and regional security within the broader context of the Global South.

International Affairs, 2001 *Bibliographie Mensuelle* United Nations Library (Geneva, Switzerland), 2008 *The British National Bibliography* Arthur James Wells, 2000 A Global Agenda John Tessitore, Diana Ayton-Shenker, 2001. This annual publication provides readers with the most accurate, complete, and up-to-date information on the work of the United Nations. Designed to serve international affairs experts, concerned citizens, and students, each volume of *A Global Agenda* offers a comprehensive overview of the complex and disparate activities of the entire UN system over the course of a year and describes their significance within the context of contemporary events. Sponsored by the United Nations Association of the United States of America American Book Publishing Record R.R. Bowker Company, 1978.

FAQs About Reforming For Results In The U N System A Study Of Unops Books

What is a Reforming For Results In The U N System A Study Of Unops PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reforming For Results In The U N System A Study Of Unops PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reforming For Results In The U N System A Study Of Unops PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reforming For Results In The U N System A Study Of Unops PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reforming For Results In The U N System A Study Of Unops PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
