## **Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195:**

**Reforming Sex** Atina Grossmann,1995 This study analyzes a mass movement of doctors and laypeople that demanded women's right to abortion and public access to birth control and sex education in Germany Their story sheds light on current controversies about abortion and the role of doctors and the state in controlling women's rights **Reforming Sex** Atina Grossmann,1995 Reforming Sex takes on questions of international context and comparison as well as continuity and discontinuity in twentieth century German history in a manner that other studies have not The book follows Weimar sex reformers into the Third Reich to exile around the world and into both the Eastern and Western zones of postwar Germany It demonstrates how deeply rooted eugenics ideology and American and Bolshevik models of modernity were in the Weimar movement It also examines the drastic rupture between sex reform notions of social health and National Socialist population policy The story of German sex reform provides a new perspective on post World War II family planning programs it sheds light on the long and lively background to current controversies about abortion the role of doctors and the state in determining women's right to control their own bodies and the possibilities for reforming and transforming sexual relations between men and women **The Politics of Fertility in Twentieth-Century Berlin** Annette F. Timm,2010-08-30 How a

declining population influenced reproductive and sexual health policy in Germany **Women in the Holocaust** Zoë Waxman,2017-01-26 Despite some pioneering work by scholars historians still find it hard to listen to the voices of women in the Holocaust Learning more about the women who both survived and did not survive the Nazi genocide through the testimony of the women themselves not only increases our understanding of this terrible period in history but makes us rethink our relationship to the gendered nature of knowledge itself Women in the Holocaust is about the ways in which socially and culturally constructed gender roles were placed under extreme pressure yet also about the fact that gender continued to operate as an important arbiter of experience Indeed paradoxically enough the extreme conditions of the Holocaust even of the death camps may have reinforced the importance of gender Whilst Jewish men and women were both sentenced to death gender nevertheless operated as a crucial signifier for survival Pregnant women as well as women accompanied by young children or those deemed incapable of hard labour were sent straight to the gas chambers The very qualities which made them women were manipulated and exploited by the Nazis as a source of dehumanization Moreover women were less likely to survive the camps even if they were not selected for death Gender in the Holocaust therefore became a matter of life and death **Cultures of Abortion in Weimar Germany** Cornelia Usborne,2007-12-01 Abortion in

the Weimar Republic is a compelling subject since it provoked public debates and campaigns of an intensity rarely matched elsewhere It proved so explosive because populationist ecclesiastical and political concerns were heightened by cultural anxieties of a modernity in crisis Based on an exceptionally rich source material e.g criminal court cases doctors case books personal diaries feature films plays and literary works this study explores different attitudes and experiences of those women

who sought to terminate an unwanted pregnancy and those who helped or hindered them It analyzes the dichotomy between medical theory and practice and questions common assumptions i e that abortion was a necessary evil which needed strict regulation and medical control or that all back street abortions were dangerous and bad Above all the book reveals women s own voices frequently contradictory and ambiguous having internalized medical ideas they often also adhered to older notions of reproduction which opposed scientific approaches

**Medicine and Modernity** Manfred Berg,Geoffrey Cocks,2002-08-22 This collection of essays addresses in a comprehensive and critical fashion fundamental issues in the history of medicine in modern Germany The essays also investigate important continuities and discontinuities in German history and between Germany and the West The central focus is on the professionalisation of modern medicine and the medicalisation of modern society The problem of Nazi Germany is addressed in many of the essays partly because of its influence on the debate over the nature of modern German government and society in relation to Western social political and economic development Other topics include the place of hospitals in the early nineteenth century various forms of Social Darwinism the politics of state run health insurance the influence of eugenics social control and shell shock in World War I sterilization and euthanasia Nazi experimentation the abortion debate and the role of former Nazis in the postwar medical leadership

Sexuality, Family Planning, and Reproduction Fritz Dross,Birgit Nemec,Igor Kąkolewski,2025-08-12 The history of sexuality family planning and reproduction in Central and Eastern Europe sounds out the historical dimensions across a broad field where human biology medicine policy and government social programmes intersect with fundamental conceptions of desired or feared social developments From contraception to representations of motherhood and controversies over reproductive rights using the example of the historically changing political social cultural and scientific interconnections in Central and Eastern Europe the contributors to this volume invite reflections on historical developments that open new perspectives for the 21st century

*Catholicism and American Freedom: A History* John T. McGreevy,2004-09-17 A brilliant book which brings historical analysis of religion in American culture to a new level of insight and importance New York Times Book Review Catholicism and American Freedom is a groundbreaking historical account of the tensions and occasional alliances between Catholic and American understandings of a healthy society and the individual person including dramatic conflicts over issues such as slavery public education economic reform the movies contraception and abortion Putting scandals in the Church and the media s response in a much larger context this stimulating history is a model of nuanced scholarship and provocative reading

The Totalitarian Experiment in Twentieth Century Europe David Roberts,2006-04-27 By developing a long term supranational perspective this ambitious multi faceted work provides a new understanding of totalitarianism the troubling common element linking Soviet communism Italian fascism and German Nazism The book s original analysis of antecedent ideas on the subject sheds light on the common origins and practices of the regimes Through this fresh appreciation of their initial frame of mind Roberts demonstrates how

the three political experiments yielded unprecedented collective mobilization but also a characteristic combination of radicalization myth making and failure Providing deep historical analysis the book proves that totalitarianism best characterizes the common features in the originating aspirations the mode of action and even the outcomes of Soviet communism Italian fascism and German Nazism By enhancing our knowledge of what totalitarianism was and where it came from Roberts affords important lessons about the ongoing challenges possibilities and dangers of the modern political experiment

**Sex between Body and Mind** Katie Sutton, 2019-11-25 Ideas about human sexuality and sexual development changed dramatically across the first half of the 20th century As scholars such as Magnus Hirschfeld Iwan Bloch Albert Moll and Karen Horney in Berlin and Sigmund Freud Wilhelm Stekel and Helene Deutsch in Vienna were recognized as leaders in their fields the German speaking world quickly became the international center of medical scientific sex research and the birthplace of two new and distinct professional disciplines sexology and psychoanalysis This is the first book to closely examine vital encounters among this era s German speaking researchers across their emerging professional and disciplinary boundaries Although psychoanalysis was often considered part of a broader sexual science sexologists increasingly distanced themselves from its mysterious concepts and clinical methods Instead they turned to more pragmatic interventionist therapies in particular to the burgeoning field of hormone research which they saw as crucial to establishing their own professional relevance As sexology and psychoanalysis diverged heated debates arose around concerns such as the sexual life of the child the origins and treatment of homosexuality and transgender phenomena and female frigidity This new story of the emergence of two separate approaches to the study of sex demonstrates that the distinctions between them were always part of a dialogic and competitive process It fundamentally revises our understanding of the production of modern sexual subjects

**Representing Social Precarity in German Literature and Film** Sophie Duvernoy, Karsten Olson, Ulrich Plass, 2023-10-05 Using Germany as a national case study this volume examines the historical genesis of precarity its evolution from 19th century industrial modernity to the present and its reflections and reconfigurations in artistic production in particular with relation to work gender and sexuality Precarity is everywhere now sociologist Pierre Bourdieu declared almost thirty years ago Not only declining middle class standards of living but also debt drug addiction housing and food insecurity depression and deaths of despair are now being recognized as symptoms of the downward pull of social precarity Although these and similar ills have been attributed to neoliberal policies of deregulation privatization and willful neglect of the common good precarization has accompanied the booms and busts of industrial modernity from its beginnings

Representing Social Precarity in German Literature and Film explores how German and Austrian literature film and social history have engaged with social precarity from the period of Romanticism and early industrialization to the present The chapters in this volume deal with precarity as both an objective phenomenon reflected in literary and filmic representations and as a subjective phenomenon that gives these representations their particular shape Representing Social Precarity in

German Literature and Film opens new critical perspectives on diverse forms of lived precarity and their creative manifestations by reflecting on the history of capitalist modernity from the vantage points of weakness vulnerability marginality impoverishment and otherness      **Gender in Germany and Beyond** Jennifer V. Evans, Shelley E.

Rose, 2023-05-12 Jean Quataert redefined the boundaries of at least five historical fields including European socialism women's history and gender history and international law and human rights In this volume dedicated to her pioneering work established and emerging scholars showcase the signature ways in which Quataert as one of the discipline's first women's historians has influenced how subsequent generations think about history writing as a form of intellectual activism *Gender in Germany and Beyond* presents cutting edge historiographical commentary alongside new work which address subjects such as the history of German colonialism and women's colonial leagues human rights advocacy during the Cold War and the complexities of turn of the century gay and lesbian rights organizing      *Screening War* Paul Cooke, Marc Silberman, 2010 Re-examines German cinema's representation of the Germans as victims during the Second World War and its aftermath The recent discovery of German wartime suffering has had a particularly profound impact in German visual culture Films from Margarethe von Trotta's *Rosenstrasse* 2003 to Oliver Hirschbiegel's Oscar nominated *Downfall* 2004 and the two part television mini series *Dresden* 2006 have shown how ordinary Germans suffered during and after the war Such films have been presented by critics as treating a topic that had been taboo for German filmmakers However the representation of wartime suffering has a long tradition on the German screen For decades filmmakers have recontextualized images of Germans as victims to engage shifting social and ideological discourses By focusing on this process the present volume explores how the changing representation of Germans as victims has shaped the ways in which both of the postwar German states and the now unified nation have attempted to face the trauma of the past and to construct a contemporary place for themselves in the world Contributors See n Allan Tim Bergfelder Daniela Berghahn Erica Carter David Clarke John E Davidson Sabine Hake Jennifer Kapczynski Manuel Kppen Rachel Palfreyman Brad Prager Johannes von Moltke Paul Cooke is Professor of German Cultural Studies at the University of Leeds and Marc Silberman is Professor of German at the University of Wisconsin      Reproductive States Rickie Solinger, Mie Nakachi, 2016 This is a collection of case studies that explore when and how half of the twenty most populous countries in the world invented and implemented population policies It presents analyses of reproductive politics in Brazil China Egypt Germany India Iran Japan Nigeria the USSR Russia and the United States The essays focus on the official organized efforts that states pursued to facilitate state decisions about how many people and which people would be born within their borders      *Strength Through Joy* Shelley Baranowski, 2007-05-28 This is the first book on the giant Nazi leisure and tourism agency *Strength through Joy* KdF KdF's low cost cultural events factory beautification programs organized sports and especially mass tourism became the primary means by which the Nazi regime mitigated the tension between the investment in rearmament and German consumers desire for a higher standard of living

Strength through Joy mitigated the sacrifices of the present while its programs present visions of a prosperous future once living space was acquired As an agency open to racially acceptable Germans only it segregated the regime s victims from the Nazi racial community      *Secrets of the Soul* Eli Zaretsky,2005-08-09 The fledgling science of psychoanalysis permanently altered the nineteenth century worldview with its remarkable new insights into human behavior and motivation It quickly became a benchmark for modernity in the twentieth century though its durability in the twenty first may now be in doubt More than a hundred years after the publication of Freud s *The Interpretation of Dreams* we re no longer in thrall says cultural historian Eli Zaretsky to the romance of psychotherapy and the authority of the analyst Only now do we have enough perspective to assess the successes and shortcomings of psychoanalysis from its late Victorian Era beginnings to today s age of psychopharmacology In *Secrets of the Soul* Zaretsky charts the divergent schools in the psychoanalytic community and how they evolved sometimes under pressure from sexism to feminism from homophobia to acceptance of diversity from social control to personal emancipation From Freud to Zolof Zaretsky tells the story of what may be the most intimate science of all      *The Emotional Politics of the Alternative Left* Joachim C. Häberlen,2018-09-20 Presents a fascinating account of the emotional politics and practices in the West German alternative left      **American Book Publishing Record** ,1995

**Women Doctors Refashion a Men's Profession** Paulette Ann Meyer,1997      *Karrieren im Nationalsozialismus* Gerhard Hirschfeld,Tobias Jersak,2004

## Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

**FAQs About Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 Books**

1. Where can I buy Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
