Reforming Christianity:

Reforming Christianity Don Cupitt, 2001 Christian churches are seemingly in terminal decline Is a reformation and renewal of Christianity still possible even at this late hour Don Cupitt argues that it is possible but will be difficult Church Christianity as we have received it is handicapped by two great errors a mistaken interpretation of Jesus as having been the co equally divine Son of God incarnate and the mistaken belief that there is a controlling supernatural world beyond this world To escape from these errors we need to go back and start again from the historical Jesus and his message about the Kingdom of God on this earth We need to create a modern version of his kingdom religion a religion that is immediate beliefless and entirely focussed upon the here and now Reconstructing Christianity in this way calls for a revolution in thought At present the churches don't even want to think about reform and renewal but if they are ever to become serious this is the path they'll have to take

Reforming the Christian Faith Mark W. Karlberg, 2017-10-12 Central to the mission of the church with each passing generation is the elucidation of the gospel of Christ which is the heart of the Christian message Witness to God's saving word in Scripture comes in response to discussions and debates arising over the course of church history Our study highlights some of the unity and disunity found within the Reformed tradition Reformation and modern Beginning with the subject of the development of doctrine over the course of church history we take up the foundational issue of biblical hermeneutics the question of how we are to interpret the Bible The year 2017 marks the Protestant Church's 500th anniversary October 31 We consider secondly Protestantism's two leading theological principles the formal the doctrine of Scripture and the material the doctrine of justification by faith alone In the final section we critique departures from the teaching of historic federalism found within contemporary Reformed orthodoxy which strikes at the very heart of what it means to be Reformed in theology Crucial in this long standing and ongoing dispute is the interpretation of the Mosaic Covenant as in some sense a republication of the original Covenant of Works with Adam at creation Covenant and justification are the focal doctrines under study

Reforms of Christian Life in Sixteenth-Century Italy Querciolo Mazzonis, 2022-03-03 Reforms of Christian Life presents a new narrative of the role of the Barnabites and Angelics the Ursulines and the Somascans founded in Northern Italy in the 1530s by Battista da Crema Angela Merici and Girolamo Miani within sixteenth century Italian reform movements While historiography has considered these companies under the category of Catholic Reformation this book argues that they promoted an unconventional view of perfection and of the Church that was alternative to both Roman Catholicism and Lutheranism and through which they wanted to reform society rather than the ecclesiastical institution By highlighting the complex articulation of perceptions of Christian life and by exploring neglected connections among devout milieus Mazzonis considers the sodalities in continuity with a fifteenth century ascetic mystical current and in relation to contemporary institutes such as the Jesuits and the Oratorians irenic reforming circles like that of Juan de Valdés and post Tridentine ecclesiastical reformers including Charles Borromeo This volume shows that

reforming trends were more varied and fluid than previously thought and contributes to cultural and gender analyses of the religious mentality of the period Reforms of Christian Life is a useful tool for students and scholars of medieval and early modern religious and cultural history

Reforming Catholicism in the England of Mary Tudor Ronald Truman, 2017-05-15 In the history of the attempted restoration of Roman Catholicism in the England of Mary Tudor the contribution of her husband Philip and his Spanish entourage has been largely ignored This book highlights one of the most prominent of Philip's religious advisers the friar Bartolom Carranza A leading Dominican Carranza served the emperor Charles V whom he represented at the earlier sessions of the Council of Trent and then Philip II of Spain who brought him to England Even before Mary's death Fray Bartolom left for the Low Countries and then returned to Spain where as archbishop of Toledo he was arrested for heresy by the Spanish Inquisition His trial first in Spain and then in Rome lasted from 1559 until shortly before his death partially rehabilitated in Rome in 1576 The book contains papers on the activity and intellectual character of the English Church under Mary on Carranza's eventful life particularly his activity in England and on his often close collaboration with his friend Cardinal Reginald Pole set in the wider context of sixteenth century Catholicism Attention is also drawn both to Carranza's perhaps surprising subsequent fame and influence in the Spanish Church and to the common ground which despite obvious differences and subsequent divisions did indeed exist
