Regaining Marxism

K. Post

Regaining Marxism:

Regaining Marxism Ken Post, 2016-07-27 This book responds to recent events by proposing a radical reshaping of Marxist theory Taking the core problem as that of the historical subject it conceptualises human life in terms of four interrelated practices It explores these in turn in the context of a capitalism divided into centre and periphery primarily through nine theoretical reconstructions which attempt to meet such problems as the labour theory of value the nature and role of the state and consciousness

Twentieth-Century Marxism Daryl Glaser, David M. Walker, 2007-09-12 Divided into three parts examining Marxism historically geographically and thematically this book outlines and assesses the Marxist tradition as it developed in the twentieth century and considers its place and standing as we move into the twenty first century

The Value of Marx Alfredo Saad Filho, 2001-11-29 This book constitutes an overview of recent developments in political economy in general and Marxist value theory in particular The implications of value theory for bank credit inflation and deflation are fully explored

Recovering Marxism of Karl Marx Randhir Singh, 1998

Understanding Social Divisions Shaun Best, 2005-02-02 The study of social divisions has dominated research within the social sciences since the nineteenth century Early stratification categories of class race and gender have in more recent years been joined by issues such as sexuality and disability *Understanding Social Divisions* addresses the full range of social divisions in one volume while also considering the nature of social division in itself in a comprehensive and accessible overview Shaun Best outlines and evaluates theories and research from a long historical period looks at how social divisions influence the formation of identity and the other discusses the mechanisms that are drawn upon to maintain social divisions considers how solidarity is maintained given that most people in society may feel in some way divided from the rest of society and explores how individuals place themselves within the social divisions of class gender sex and sexuality race and ethnic diversity disability and mental illness The concluding chapter explores the role of the State in the processes of social division in areas such as asylum citizenship childhood old age disease and policing of terrorism This book is essential reading for students of social divisions from a wide variety of social science backgrounds

Revolution's Other World Ken Post, 2016-07-27 Ken Post examines the turn to the East by the international communist movement in fostering world revolution after the success in Russia in 1917 which led to communism's greatest gains after the Second World War Based on a theorisation of the building of revolutionary movements this study critically assesses communist strategy and tactics using three key cases China India and Brazil drawing out implications for possible future developments in less developed countries

Sexual Politics in Indonesia S. Wieringa, 2002-05-21 This book analyzes the interaction between nationalism feminism and socialism in Indonesia since the beginning of the twentieth century until the New Order State of President Suharto The focus is on the communist women's organization Gerwani which was by 1965 the largest communist women's organization in the non communist world Gerwani members combined feminist demands such as a reform of the marriage law with an insistence upon a political role for women The organization was

destroyed in a campaign of sexual slander orchestrated by the military under General Suharto Hundreds of thousands of people were killed President Sukarno lost his power and General Suharto took over

Post-Industrial Socialism Adrian Little, 2004-01-14 Post Industrial Socialism provides critical analysis of recent developments in leftist political thought Adrian Little charts new directions in the economy and the effects they have had on traditional models of social welfare and orthodox approaches to social policy In demonstrating the limitations of the welfare state and the associated concept of citizenship this book suggests that we need to renew socialist welfare theory through the evaluation of universal welfare provision and a policy of breaking the link between work and income

A Broad and Ennobling Spirit Ronald Mendel, 2003-10-30 With the introduction of new production methods and technological innovation tradesmen and workers encountered new challenges This study examines the development of trade unions as a manifestation of working class experience in late Gilded Age America It underscores both the distinctive and the common features of trade unionism across four occupations building tradesmen cigar makers garment workers and printers While reactions differed the unions representing these workers displayed a convergence in their strategic orientation programmatic emphasis and organizational modus operandi As such they were not disparate organizations concerned only with sectional interests but participants in an organizational network in which cooperation and solidarity became benchmarks for the labor movement Printers coped with the mechanization of typesetting by promoting greater cooperation among the different craft unions within the industry with the aim of establishing effective job control Building tradesmen exerted a pragmatic militancy which combined strikes with overtures to the employers business sense to uphold the standards of craft labor Cigar makers especially handicraftsmen who found their position threatened by machinery and the growth of factory production debated the merits of a craft based union against the possible advantages of an industrial oriented organization Garment workers caught in the snare of a sweating system of labor in which wages and work loads were inversely related organized unions to mount strikes during the busy season in the hope of securing higher wages only to see them whither in the midst of slack periods

Communists and National Socialists Ken Post, 1997-06-11 A study of the Russian Revolution of 1917 and the coming to power of the Nazis in Germany in 1933 in light of the marxist proposition that revolution would come in advanced capitalist societies The implications of the actual cases for the theory are drawn out and an original theorization of capitalist crisis combining economic and political factors is put forward

Marx's 'Grundrisse' and Hegel's 'Logic' (RLE Marxism) Hiroshi Uchida, 2015-04-17 Marx's Grundrisse is acknowledged as the vital link between Marx's early and late work It is also a crucial text in elucidating Marx's debt to the idealist philosopher G W F Hegel This book first published in 1988 is the first full length study of that relationship in a thorough textual analysis which makes the connections explicit and also the Grundrisse's relations to the works of Adam Smith and Aristotle This book argues that Marx's critique of political economy and his critique of Hegel are double interrelated Not only did Marx adapt Hegelian logic in order to analyse the economic

categories crucial to modern society but it is argued that those logical categories were themselves seen as reflections of the productive processes of contemporary commercial society Uchida reveals a conceptual structure common to the apparently rarefied world of Hegelian conceptual logic and to the supposedly common sensical world of economic science

Demonstrating this is a considerable achievement and it allows us to consider precisely what is valuable today in Marx's critical commentary on this conceptual structure and on the type of society in which it is manifested Uchida's subject like Marx's is the force of capital on modern life **Revolution and the European Experience 1789-1914** K. Post, 1999-08-12

This study argues that the Europe which is now being united was originally the product of the French revolution 1789-95 and then formed by the emergent industrial capitalism Given the prediction and fear that the new working class would launch another revolution which would spread the author investigates why that did not in fact prove to be the case Rather the new working classes were incorporated as part of the dynamics of capitalist development *Decolonising International Relations*

Nirmal Jindal, Kamal Kumar, 2025-09-12 This volume critically analyses the theories and concepts of international relations IR which will be instrumental in understanding IR from a non-western perspective Owing to its emphasis on the need to decolonise the discipline of IR alternate perspectives from the global South have been explored and discussed in detail The book provides new insights to make the discipline more inclusive universal and contributory to world peace and security It lucidly enumerates on the concepts of state sovereignty power conflict security diplomacy human rights development market inequalities and migration from a non Eurocentric lens bringing distinct perspectives and experiences to the fore Expanding on the Indian foreign policy of Vasudev Kutumbakam it highlights India's policy of multi-alliances and multilateralism and also refers to India's contributions during the COVID-19 pandemic and its drive to champion the cause of marginalised nations by reforming international institutions and pressing for development with sustainability It is testament to India's commitment to global security through cooperation and collective action This book will be useful to the Departments of Political Science Global Studies International Studies and South Asian studies It will be an indispensable resource for researchers social scientists and general readers interested to understand the theories and key concepts of IR especially from an Indian perspective **The Ethical Foundations of Marxism (RLE Marxism)** Eugene Kamenka, 2015-04-17

The Ethical Foundations of Marxism first published in 1962 and corrected and revised for a 1972 edition examines carefully and critically the origin precise nature and subsequent role of Marx's ethical beliefs Drawing freely on Marx's still largely untranslated philosophical works and drafts the author elicits the ethical presuppositions with which Marx began He then examines the intellectual development that made Marx a Communist and seeks to clarify the place of Marx's ethic in his mature materialist work Professor Kamenka distinguishes sharply between the critical ethical views of Marx and the inept conventional applications of his doctrine by Engels He appraises the ethics of the Communist Party and traces the development of the moral and legal theory in the Soviet Union He concludes by subjecting Marxism as a whole to a radical

ethical and philosophical criticism for which Marx himself laid some of the foundations Global Ethics and Moral Responsibility John-Stewart Gordon, Holger Burckhart, 2017-05-15 The philosophy of Hans Jonas was widely influential in the late twentieth century warning of the potential dangers of technological progress and its negative effect on humanity and nature Jonas advocated greater moral responsibility and taking this as a starting point this volume explores current ethical issues within the context of his philosophy It considers the vital intersection between law and global ethics covering issues related to technology and ethics medical ethics religion and environmental ethics Examining different aspects of Hans Jonas philosophy and applying it to contemporary issues leading international scholars and experts on his work suggest original and promising solutions to topical problems This collection of articles revives interest in Hans Jonas ethical reasoning and his notion of responsibility The book covers a wide range of areas and is useful to those interested in philosophy and theory of law human rights ethics bioethics environmental law philosophy and theology as well as political theory and philosophy

Karl Korsch Karl Korsch, 2014-11-06 There is growing interest in Europe and the United States in the work of the major German social political philosopher Karl Korsch Korsch participated in the turbulent struggles in Weimar Germany and while in exile continually reflected on history and politics His work affords one of the most important interpretations of the role of Marxism in twentieth century revolutionary movements while developing an ongoing critical interrogation of Marxism His thought provides an illuminating perspective on the process of revolution and counterrevolution in recent history *Karl Korsch Revolutionary Theory* is the first English anthology of his most important writings This collection presents Korsch's essays on a wide range of subjects including Marxism and socialization Lenin and the Soviet Union the crisis of Marxism models of revolutionary practice fascism and counterrevolution and Korsch's final evaluation of Marxism Much of this work is translated into English for the first time and many unknown essays first published in radical journals which are no longer available appear here The volume includes Korsch's major essays written during the 1920s and 1930s as well as some of his later work Douglas Kellner's detailed introduction Korsch's *Revolutionary Marxism* contains the first comprehensive critical interpretation of Korsch's work to appear in English It provides a historical theoretical reconstruction of Korsch's life and thought and roots his political theory in the sociopolitical context in which it evolved The introduction has been described by Korsch scholars as a first class piece of exposition and interpretation and a serious first rate contribution likely to preempt the field in the English language The editor's introduction along with the representative selection of essays provide firm grounding in the ideas and historical significance of Karl Korsch **Justice of Marxism** Zhang Xiaomeng, 2023-10-11 This book analyzes Marxian theories of justice within the context of contemporary political philosophy and intellectual history Transcending perspectives from classical Marxism the author analyzes how Western Marxism has engaged with critically and responded to the theories of justice especially since the 1970s The nine chapters cover major intellectual movements and multi dimensional frameworks of thought that critique and understand anew the idea of justice including anglophone debates

on Marxism and justice global distributive justice and viewpoints from analytical Marxism radical egalitarianism the Frankfurt School Marxian feminism and ecological Marxism The second part of the book returns to the classical texts of Marxism with a focus on historical materialism and a critique of capitalism to reinterpret basic tenets of justice in Marxism and to reconstruct Marxian theory of justice This title will be of value to scholars and students interested in theories of justice Marxian philosophy and political philosophy Military Marxism Adam Mayer,2024-12-16 Adam Mayer s *Military Marxism Africa s Contribution to Revolutionary Theory* 1957 2023 explores African Marxist theory and the intellectual merits of Afro Marxist schools of thought to show how they have developed and impacted sub Saharan Africa from the Cold War to the present He also discusses the efficacy of the movements influenced by Marxism and how they are contested today Through in depth research Mayer answers the following questions Who were the African Marxist intellectuals What happened to these intellectuals in the 1990s in NGO administered deindustrialized Africa How are these theories inspiring popular rebellions and radical anti Western military coups today This book explores how Military Marxism through its own rich and variegated African theory has continued to inform and guide the practice of various political movements today

Marxism, Religion and Ideology David Bates,Iain MacKenzie,Sean Sayers,2015-10-05 As austerity measures are put into place the world over and global restructuring is acknowledged by all as an attempt to bolster the economic system that lead to the crash there is a great need to come to grips with the economic political and philosophical legacy of Marx Of particular interest are Marx s analyses of alienation and the cycles of boom and bust thought to be integral to the functioning of capitalism Moreover as the Cold War drifts into the history books it is possible to reconsider the lasting impact of Marx s analyses without the shadows cast by the Soviet version of communism Equally though scholars are increasingly turning to Marx for insight into the rise of religion and the corresponding demise of political ideologies that seems to mark the contemporary age Are we witnessing the return of Marx Few scholars have done as much to tease out the intricacies of Marx ideology and religion and their overlapping concerns as the eminent writer and Marx biographer Professor David McLellan This book brings together a group of internationally renowned academics to reflect upon develop and criticise McLellan s analyses of these three themes with a view to contributing more broadly to scholarly debates in these fields This exciting and timely analysis will be of interest to scholars of political theory the history of political thought including historical methodology Marx and Marxism sociology of knowledge particularly in relation to discussions of ideology religion and theology more widely **Marxism and Communism** ,2022-04-19

Regaining Marxism Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be more evident than ever. They have the capacity to inspire, provoke, and ignite change. Regaining Marxism Introduction

In today's digital age, the availability of Regaining Marxism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Regaining Marxism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Regaining Marxism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Regaining Marxism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Regaining Marxism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Regaining Marxism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Regaining Marxism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Regaining Marxism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Regaining Marxism books and manuals for download and embark on your journey of knowledge?

FAQs About Regaining Marxism Books

1. Where can I buy Regaining Marxism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Regaining Marxism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
