Ryan Ryan Davies:

The Broken Wave Matthew Ryan Davies, 2023-11-28 Those who enjoy Craig Silvey Trent Dalton and Richard Flanagan's books will find much to think about here We never talked about what happened in 1992 Did it quietly haunt him the way it did me In the small seaside town of Queenscliff two boys from opposite sides of the world forge a friendship over a summer of sun adventure and brotherhood Until a catastrophic event shatters their idyllic childhoods Two lives are lost A lie is told Years later when Tom dies in suspicious circumstances Drew flies from the US back to Australia for his friend's funeral Still haunted by that night in 1992 he's about to find out if Tom ever told anyone the truth if the two events are connected and if their friendship was worth the price they paid Told with Davies' trademark emotional depth and sensitivity *The Broken Wave* is a compelling mystery about the long tentacles of childhood trauma finding connection in the least expected places and the unbreakable bond of friendship Praise for *The Broken Wave* In *The Broken Wave* an American writer struggles with his difficult second novel Matthew Ryan Davies would seem to have no such problem this second novel is a taut and compassionate examination of the way the people we know as children mark us forever As it builds to its devastating conclusion *The Broken Wave* will leave you breathless Hayley Scrivenor *The Broken Wave* drags you in from its first pages and refuses to let go Flowing with ease between idyllic past and haunted present it builds an irresistible mystery suffused with all too real pain and melancholy Don't miss it Gabriel Bergmoser Superbly characterised and almost unbearably tense *The Broken Wave* had me both holding my breath and turning the pages Davies writes with assurance and empathy transporting the reader through one golden childhood summer to a shocking tragedy that will ricochet down the years Haunting and heartfelt I am still thinking about *The Broken Wave* weeks after finishing it Kylie Ladd Unlike anything else you'll read this year A gripping page turner that had my heart racing as the story unfolded The shocking revelation will stay with you a long time Peter Papathanasiou It's haunting sensitively written literary fiction a complex investigation of trauma a subject explored with nuance and emotional depth and a buddy narrative that'll appeal to admirers of Craig Silvey for instance Sydney Morning Herald *Representing Autism* Stuart Fletcher Murray, 2008-06-01 From concerns of an autism epidemic to the MMR vaccine crisis autism is a source of peculiar fascination in the contemporary media Discussion of the condition has been largely framed within medicine psychiatry and education but there has been no exploration of its power within representative narrative forms *Representing Autism* is the first book to tackle this approach using contemporary fiction and memoir writing film photography drama and documentary together with older texts to set the contemporary fascination with autism in context *Representing Autism* analyses and evaluates the place of autism within contemporary culture and at the same time examines the ideas of individual and community produced by people with autism themselves to establish the ideas of autistic presence that emerge from within a space of cognitive exceptionality Central to the book is a sense of the legitimacy of autistic presence as a way by which we might more fully articulate what it means to be human

The Plough Boy Tony Parker,2013-07-16 Those of you who have read Tony Parker s book *The Plough Boy* will be familiar with the story of Michael Davies He was one of six youths concerned in an affray in which a boy was killed Five of them received short terms of imprisonment but Davies was condemned to death The door to the execution shed was the first thing he saw when he opened his eyes every morning That boy spent 92 days in the condemned cell watching that door before he was reprieved I hope we can agree that torture of that kind shall never again be inflicted in Britain Baron Stonham in the Lords debate on the Murder Abolition of Death Penalty Bill 19 July 1965
