Sacred Wounds Succeeding Because Of Lifes Pain:

Sacred Wounds Jan Goldstein, 2010-11-30 In this immensely affecting and empowering guide Jan Goldstein teaches readers how to take their most emotionally painful life events their spiritual wounds and transform them into a source of power and well being Goldstein s life affirming program is inspired by his own heartbreak the February morning when he was faced with the sudden news that his twelve year marriage was ending leaving Goldstein with primary custody of their three small children Though paralyzed at first by feelings of loss and depression Goldstein eventually discovered that the pain allowed him and his children a deeper appreciation for the simple moments of joy that his once broken family was succeeding not despite its wounds but because of them In *Sacred Wounds* Goldstein reveals the secret to finding strength in challenging and often traumatic events outlining a life changing nine step process to help readers move through heartache and toward healing In clear compassionate language he refutes the notion of pain as a destroyer drawing on the compelling stories of many of the people he has counseled along the way Rick and Sara who are plagued by infertility Yvette an aspiring man who battles her secular desires Steve for whom a frightening diagnosis portends the end and then the beginning of hope Remarkably affecting and inspiring Goldstein s stories confirm that we are all well equipped to deal with the inevitable hurts and heartbreaks in life if only we release our preconceptions acknowledge the strengthening power of our wounds and follow the nine steps to a spiritual rebirth Indispensable for anyone suffering through spiritual and emotional difficulties *Sacred Wounds* is the key to shifting our perceptions and finding new strength and success in the painful experiences we all endure
