delusions Surely it could not be that which I myself have ever witnessed In that case it would certainly not make it to be truth However it is by my best accounting the strange but true enough telling of a deliberately long lost story from somewhere far out on the other side of Who Knows Where That s just the beginning In Book Two The Murky Middle the story dims to very very dark with the introduction of a terribly wicked magician s sorcery Through magic he enters into a spirit world and adamantly decided to stay there From that secret domain he meets another and the two in cahoots do some deliberately evil damage that stretches out from that invisible place right into the unsuspecting folks who live day to day in The Real World Those folks do not stand a chance to escape being affected by the magician s insidious determination to capture them all Eventually Adam and Eve are reincarnated into The Real World on a specific mission years beyond the peak of that magician s vicious reign By then the worse had evidently devolved into the worst that ultimately leads through to Book Three The End Of The End This story is utterly fascinating Its twisting and turning through that which may be somewhat recognizable is more tangled up into the fantastical that is addictive to read onward to find out what happens next All throughout there is mystery magic love hate obsessiveness rejection maliciousness brilliance stupidity sickness healing forgiveness revenge romance weirdness wonderment heavy heartedness humor life death and reincarnation All along there is that concept of eternity being a time lasting for Forever Which according to all reports in The Real World Forever is a long long time The Legend Of The Secret Saga is the complete epic trilogy in one colorful volume There is no other story like it in The Real World Not from When Begin Began throughout The Murky Middle and all the way to The End Of The End It is a story that is a Fairytale and a Fantasy Magical and Mythical Poetic and Artistic The Legend Of The Secret Saga is fantastical and not as expected it might be

The book presents the history and background of the Rosicrucians, a mystical brotherhood which uses Christian symbology to communicate otherworldly ideas and meanings. Atkinson, writing as Magnus Incognito, supplies a guide to the beliefs and teachings of the brotherhood, including how to ascend to higher planes, sexual satisfaction as spiritual enlightenment, and the meaning behind auras. Interestingly, much of the Rosicrucians is taken verbatim from another Atkinson work, *The Arcane Teachings*. **MAGNUS INCOGNITO** is an alias and pen name of American writer **WILLIAM WALKER ATKINSON** (1862-1932). He only used the pseudonym once, obviously wishing to emphasize the writer's anonymity. Atkinson was editor of the popular magazine *New Thought* from 1901 to 1905 and editor of the journal *Advanced Thought* from 1916 to 1919. He authored dozens of *New Thought* books under numerous pseudonyms, including Yogi, some of which are likely still unknown today. **The Secret Doctrine of the Rosicrucians** Magus Incognito, 1918.
