A daughter can be a dangerous weapon in the battle for the throne of England. Frances Grey harbored no dream of her children taking the throne. Cousin of the king, she knew the pitfalls of royalty and privilege. Better to marry them off, marry them well, perhaps to a clan like the Dudleys. Jane Dudley knew her husband was creeping closer to the throne, but someone had to take charge for the good of the country. She couldn't see the twisted path they all would follow. The never-before-told story of the women behind the crowning of Jane Grey: this novel is a captivating peek at ambition gone awry and the damage left in its wake. Journalist Avery Chauvin is devastated when she receives word of her father's suicide. How could her father, a dedicated physician, have taken his own life? That he set himself on fire is unfathomable. Returning to her hometown of Cypress Springs, Louisiana, Avery desperately searches for answers. Instead, she hears whispered rumors of strange happenings of neighbors who go missing in the night. She discovers a box of old newspaper articles in her father's house, all covering the horrific murder of a local woman. Why had her father kept them? Then the past and present collide. A woman is found brutally slain. An outsider passing through town vanishes. And Avery begins to wonder: could her father have been the victim of foul play? As each step closer to the truth exposes yet another layer of deceit, Avery must face the fact that in this peaceful Southern town, a terrible evil resides, protected until now by the power of silence. **Disturbance** Ivy Alvarez, 2013-10-14

Disturbance is a novel in verse by Ivy Alvarez that chronicles a multiple homicide, a tragic case of domestic violence where a family was gunned down by the husband and father. The book features poems in a kaleidoscope of voices from all the characters involved. We first meet the family itself and witness how the father's controlling attitude gradually escalates into violence. Then we get the aftermath: the authorities, police, and neighbours who all might have helped to prevent this tragedy. This is a very dark book, but a courageous one, ultimately about evil and its presence in our everyday lives. The fact that this family was relatively well-to-do, seemingly prosperous and well-connected, adds another layer of intrigue and mystery. There is some graphic violence, but the emphasis is on the characters and their motivations. This

masterpiece of brutality veined with tenderness will skewer you to its pages A tour de force utterly original and brave Sally Spedding Disturbance is a precise pained and wondrous book Teju Cole **The Other Girl** Erica Spindler,2017-08-22 From the New York Times bestselling author of Justice for Sara and The First Wife Erica Spindler comes The Other Girl a chilling new thriller about a ritualistic murder of a college professor that sends a small town cop back into the trauma she thought she d put behind her Explosive Publishers Weekly starred review A fantastic thriller from one of the best in the genre RT Reviews A horrific crime One witness a fifteen year old girl from the wrong side of the tracks one known for lying and her own brushes with the law Is it any surprise no one believed her Officer Miranda Rader of the Harmony Louisiana PD is known for her honesty integrity and steady hand in a crisis but that wasn t always so Miranda comes from the town of Jasper a place about the size of a good spit on a hot day and her side of the tracks was the wrong one She s worked hard to earn the respect of her coworkers and the community When Miranda and her partner are called to investigate the murder of one of the town s most beloved college professors they re unprepared for the brutality of the scene This murder is unlike any they ve ever investigated and just when Miranda thinks she s seen the worst of it she finds a piece of evidence that chills her to the core a faded newspaper clipping about that terrible night fifteen years ago The night she d buried along with her past and the girl she d been back then Until now that grave had stayed sealed except for those times in the deepest part of the night when the nightmares came of a crime no one believed happened and the screams of the girl they believed didn t exist Then another man turns up dead this one a retired cop Not just any cop the one who took her statement that night Two murders two very different men two killings that on the surface had nothing in common except Miranda Broken J.
