[From "The Fawn of Spring-Vale ... and Other Tales."] William Carleton, 1850      **France** François Guizot, 1902      *Medieval Saints and Modern Screens* Alicia Spencer-Hall, 2025-10-01 This ground breaking book brings theoretical perspectives from twenty first century media film and cultural studies to medieval hagiography *Medieval Saints and Modern Screens* stakes the claim for a provocative new methodological intervention consideration of hagiography as media More precisely hagiography is most productively understood as cinematic media Medieval mystical episodes are made intelligible to modern audiences through reference to the filmic the language form and lived experience of cinema Similarly reference to the realm of the mystical affords a means to express the disconcerting physical and emotional effects of watching cinema Moreover cinematic

spectatorship affords at times a more or less secular experience of visionary transcendence an agape ic encounter The medieval saint s visions of God are but one pole of a spectrum of visual experience which extends into our present multi media moment We too conjure godly visions on our smartphones on the silver screen and on our TVs and laptops This book places contemporary pop culture media such as blockbuster movie The Dark Knight Kim Kardashian West s social media feeds and the outputs of online role players in Second Life in dialogue with a corpus of thirteenth century Latin biographies Holy Women of Li ge In these texts holy women see God and see God often Their experiences fundamentally orient their life and offer the women new routes to knowledge agency and belonging For the holy visionaries of Li ge as with us modern seers visions are physically intimate ideologically overloaded spaces Through theoretically informed close readings Medieval Saints and Modern Screens reveals the interconnection of decidedly old media medieval textualities and artefacts of our new media ecology which all serve as spaces in which altogether human concerns are brought before the contemporary culture s eyes

**The Complete Works of Charles Spurgeon, Volume 55** Spurgeon, Charles H., Volume 55 Sermons 3125 3177 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the

forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason

Delmarva Publications has chosen to publish the complete works of Charles Spurgeon      **The Lost Years** Sonja

Proceedings: Seventeenth Annual Convention of Rotary International, *The "Zhenzheng lun"* by Xuanyi Thomas Jülch, 2018-12-07. The Zhenzheng lun T 2112 Treatise of Revealing the Correct is a Chinese Buddhist apologetic treatise with a distinct anti-Daoist stance in three juan. It is organized as a dialogue between a Daoist the Venerable Obstructed by Customs zhisu gongzi and the Buddhist Master Revealing the Correct zhenzheng xiansheng in which the former is gradually led towards an orthodox Buddhist understanding by the latter through the refutation of his various arguments against Buddhism. Composed in the late 7th century, the text was authored depending on the political interests and strategies of Wu Zhao 624-705, who in 690 was enthroned as Empress Wu Zetian. This study of Thomas Jülch offers a richly annotated and complete translation of the Zhenzheng lun along with an introductory part that focuses on reconstructing the political and propagandistic circumstances relevant to the understanding of the Zhenzheng lun.
