of love loss and the struggle to find one's own path The World's Work Walter Hines Page, Arthur W. Page, 1928 A history of our time Mukami Kimathi: Mau Mau Woman Freedom Fighter Nderitu, Wairimu, 2019-07-02 M. Kimathi's Mau Mau Woman Freedom Fighter is the story of the brave wife of one of Kenya's foremost freedom fighters Field Marshal Dedan Kimathi. Kimathi led the Mau Mau war in Kenya's independence struggle against the British colonialists. M. Kimathi's role as a daughter, wife, mother, freedom fighter, and leader is varied and very complex. Her story spans pre and post independent Kenya. Her experiences provide an important complement to existing written literature on Kenya's history. In 2003 the Mwai Kibaki Government lifted the ban put in place by the British colonialists declaring the Mau Mau as terrorists and recognised M. Kimathi and other freedom fighters as national heroes and heroines celebrated on 20th October as Mashujaa Day. This book gives an insight into the role of women freedom fighters and the struggles they faced both during and after the war. It is an incredible story of immense self sacrifice and love for Kenya. M. Kimathi provides the lens to see the wider picture of women in the independence struggle, the neglect and betrayal of wives of Mau Mau fighters in particular and women in general in Kenya's making. Beyond her role in the independence struggle, M. Kimathi's story has many historical highlights such as time shared with Kimathi meeting Nelson Mandela and her fruitful and strong relationship with Kenya's human rights movement Military Musings Leonard J. Gill, 2003 The experiences of a Kenya born English lad in the fight against the terrorism of the Mau Mau Rebellion **Breaking All The Rules** E. H. Shepherd, 2019-10-24 Once upon a time I believed that rules were the start and end of my life. They defined me instead of the other way around. I'll admit impulsiveness is a bit out of character for me. I always do the expected which includes sticking to the rules, no exceptions nor shortcuts. That was before I met him, Theo Jameson. A man who straddled the rules, never breaking or keeping them. Despite this, Theo is a good man with a heart the size of the universe. God, how I loved him. Even with all of my quirks, he'd found a way around them and the cavernous abyss of my heart. But this is me, we're talking about Nairobi Sinclair, a girl who runs away from relationships. Not because I don't believe in them, but because they just never work out for me. Once you've been burned, it ruins it for all men. Theo is different, he's changed me in ways I never dreamed possible or in my foreseeable future, I've never felt this way about anyone before. When Theo's not near me, I miss him and reach for him when I'm asleep. Smile when I hear his voice or when he leaves me a message. It's real and I realized it weeks ago. It scared me to admit it before because of what I went through with Brax, the bastard. But now I have a brand new beginning and for the first time in my life, I'm breaking all the rules.
