**Mustard Seed Faith** Bethanee Syversen, 2019-05-21 After seven miscarriages and three failed adoptions where do you find the strength to pursue your dream of parenthood Bethanee Syversen's deeply personal debut Mustard Seed Faith A Journey through Infertility Miscarriages Adoption and Faith is a story of believing in a God who is powerful enough and generous enough to do the impossible Bethanee always wanted to be a parent When the doctors gave their prognosis she had to decide where her strength would come from She and her husband chose to trust in God Each negative pregnancy test each unexpected loss and each adoption delay would test her heart's resolve However

through every blow Bethanee discovered that God doesn't give up. He never goes away. And He never leaves His children unrestored. Now a mother of six, Bethanee has experienced the hardship and joy of becoming a mom through birth and through adoption. Much of Mustard Seed Faith comes from Bethanee's blog which captured the raw emotion of her story as it unfolded. In part one, Bethanee confronts the heartbreak of infertility and the private grief of multiple miscarriages. In part two, she recounts the physical toll and emotional extremes of adopting. For many, Bethanee's fourteen-year journey is all too familiar, but it is her uncommon faith in God's good and sovereign plan that inspires readers to keep hoping, keep praying, and keep believing.

*Disorganized Christianity* Keith H. McIntosh, 2023-06-30 Some simple and exact beliefs organized religion has about an apple, a whale, three wise men at Jesus's birth, why Noah was the best man God could have chosen to repopulate the earth after the global flood, the treatment of women, slaves, Blacks, and homosexuals, along with many other false dogmas, will be exposed in this book. *Disorganized Christianity* will also address some lesser-known events like angels having sex with Eve's daughters, what the origin of the Antichrist's number 666 could be, that Eve NEVER sinned in the Garden of Eden, and the Biblical fact that Jesus CANNOT BE the Messiah. I had a falling out with my local church pastor. One week I was singing Amazing Grace, and the next week I wasn't even allowed in HIS building. I decided very quickly to reread the Bible with a different set of eyes and a different heart and determine for myself if organized religion was correct in its damnation of my soul. Organized religion was not even close to being able to defend its damning position against me. I taught them scriptures, and in the process, recaptured my soul. I created a little study guide for others to fend off the relentless attacks on their souls by mean-spirited and intolerant Christians. The study guide grew into this book, *Disorganized Christianity*. We converted non-Christians, now see the real darkness of organized religion's dogma, and we are no longer bound by its condemnation.

**Made in His Image** Diane Wiedemann, 2025-09-24 My first therapist told me I needed a witness, and here on this date, 25 September 2022, the Lord spoke unto me that He was, in fact, the first witness to my story, and He then witnessed my story back unto me. He then did compel me to write first for the healing of myself and then for the healing of others so they in turn can witness to others the power and healing contained within God therapy that was first given unto me and is now available for all who have need, which means you, for that's how much He loves all of us to His glory.
