Seeing First Facts:

Phenomenal Consciousness Dimitris Platchias, 2014-12-05 How can the fine grained phenomenology of conscious experience arise from neural processes in the brain How does a set of action potentials nerve impulses become like the feeling of pain in one's experience Contemporary neuroscience is teaching us that our mental states correlate with neural processes in the brain However although we know that experience arises from a physical basis we don't have a good explanation of why and how it so arises The problem of how physical processes give rise to experience is called the hard problem of consciousness and it is the contemporary manifestation of the mind body problem This book explains the key concepts that surround the issue as well as the nature of the hard problem and the several approaches to it It gives a comprehensive treatment of the phenomenon incorporating its main metaphysical and epistemic aspects as well as recent empirical findings such as the phenomenon of blindsight change blindness visual form agnosia and optic ataxia mirror recognition in other primates split brain cases and synaesthesia

leading international authors reflecting on the present state of the art concerning the exciting controversies between internalism and externalism **Judicial and Statutory Definitions of Words and Phrases** ,1928 Fake, Fact, and Fantasy Maire Messenger Davies,2013-11-05 Based on a study examining the meaning of the term media literacy in children this volume concentrates on audiovisual narratives of television and film and their effects It closely examines children s concepts of real and unreal and how they learn to make distinctions between the two It also explores the idea that children are protected from the harmful effects of violence on television by the knowledge that what they see is not real This volume is unique in its use of children s own words to explore their awareness of the submerged conventions of television genres of their functions and effects of their relationship to the real world and of how this awareness varies with age and other factors Based on detailed questionnaire data and conversations with 6 to 11 year old children carried out with the support of a fellowship at the Annenberg School for Communication University of Pennsylvania the book eloquently demonstrates how children use their knowledge of real life of literature and of art in intelligently evaluating the relationship between television s formats and the real world in which they live *A law dictionary and glossary* Alexander M. Burrill,2022-07-29 Reprint of the original first published in 1871 **Civil Litigation in Nigeria** Abdullahi, Ibrahim,2018-05-22 This book highlights in a most condensed form judicial pronouncements by the superior courts of records as they relate to practice and procedures in civil litigation in Nigeria Judicial pronouncements on civil aspects of the law in Nigeria are on the increase rendering brief writing more challenging if not herculean in the absence of a resource guide for the citation of authorities and knowing which changes have taken place in the law For lawyers not to be taken by surprise in courts when issues relating to practice and procedures are raised without notice makes the need to have a resource book that should serve as a quick guide the more compelling This book is thus intended to be a reference guide Resurrection: Faith or Fact? Carl Stecher,Craig L. Blomberg,2019-04-09 Is there enough evidence to believe Jesus rose from the dead or must such a judgment be based only on faith Can the resurrection story be considered a fact of history or should it be viewed as an ahistorical account Two renowned professors atheist Carl Stecher and Christian Craig Blomberg engage in a groundbreaking new debate on these very questions Other experts on the resurrection atheist Richard Carrier and Christian Peter S Williams comment on the outcome Presenting new approaches to these centuries old questions and taking into account the latest scholarly research Resurrection Faith or Fact is a must have not only for all those following the resurrection question but also for those skeptics and Christians alike who are interested in determining for themselves the truth behind this foundational doctrine of the Christian faith *The Saturday Review of Politics, Literature, Science and Art* ,1861 *The Law Journal Reports* Henry D.
