Vande Kappelle, 2020-12-16 The Bible is the single most important book in the history of Western civilization it is also the most widely misunderstood To understand the Bible we must consider its historical and literary context Utilizing the contributions of three disciplines biblical introduction biblical theology and biblical interpretation Understanding Scripture sets the record straight Intended as a handbook or study guide this work provides forty practical guidelines to make your reading of the Bible more useful and your understanding clearer The goal of this book is not simply to persuade you to read the Bible more frequently but to encourage you to read it with discernment The forty concepts alluded to in the book s subtitle are not factual in nature meaning they are little concerned with biblical information Rather they comprise interpretive tools insider techniques used by biblical scholars but widely unknown or ignored by average readers or believers Parabolic in nature the forty statements are designed to promote conversation rather than close or clinch an argument This book is designed to keep you awake at night romancing Scripture rather than mastering it nourishing your spirituality rather than gorging or starving it Understanding Scripture is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection The Gospel of John Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers The Gospel of John A Commentary more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture

Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike **Six Themes in Matthew Everyone Should Know** James E. Davison, Eva Stimson, 2019-01-29 This study focuses on Jesus as Messiah as a beginning point for considering Matthew s perspective of the life and ministry of Jesus Christ Jesus important teachings are explored and we find how they shape our Christian lives today They give the church as the community of faith directions for its mission and ministries in the world The Six Themes Everyone Should Know series introductes biblical books and their main themes Each volume consists of six chapters that present major biblical themes each chapter contains an introduction and three major sections What does the biblical theme mean What is the meaning of this biblical theme for the life of faith What does the biblical theme mean for the church at this point in history for action Journal of the Catechesis of the Good Shepherd 2013, 2013-09-02 The 2013 Journal of the Catechesis of the Good Shepherd focuses on the gift of time inviting us to slow the pace of prayer and experience God's time In addition to catechists reflections on the nature of time the Journal contains art and prayers from the Journals of the Catechesis of the Good Shepherd 2009-2013 Liturgy Training Publications, 2014-07-01 children

Suffering in Romans Siu Fung Wu, 2015-07-23 Most of the Jesus followers in Rome would have been familiar with socioeconomic hardship Suffering was a daily reality either for themselves or for someone they knew Many lived below or just above subsistence level Some were slaves homeless or chronically sick Followers of Christ might have experienced persecution because of their refusal to take part in the local religious festivals Suffering is of course a significant theme in Rom 5 1 11 and 8 17 18 39 Paul mentions various types of affliction many times in these texts How might Paul s audience have understood them In Suffering in Romans Siu Fung Wu argues that Paul speaks of the vocation of the Jesus followers to participate in Christ's suffering with the purpose that they may be glorified with him Indeed their identification with Christ's suffering is an integral part of God's project of transforming humanity and renewing creation It is in their faithful suffering that Christ followers participate in God's triumph over evil This is counter intuitive because most people think that victory is won by power and strength Yet the children of God partake in his cosmic victory by their suffering aided by the Spirit and the Fundamental Theology Heinrich Fries, 1996 Renowned theologian Heinrich Fries offers what is both a hope of glory traditionally structured treatment of the basic issues of fundamental theology as they have been modified by Vatican II and a study of the major ethical religious and cultural issues of the late twentieth century **Life on the Vine** Philip D. Kenneson, 1999-10-01 Philip Kenneson digs into the fruit of the Spirit listed in Galatians 5 22 23 combining rich theologically grounded reflection on Christian life and practice with analysis of contemporary culture He explores what each fruit means in its biblical context then investigates how key traits of late modern Western culture inhibit the development and ripening of each fruit Exploring Christian Scripture Glenn R. Kreider, Michael J. Svigel, Mark M. Yarbrough, 2024-07-01 Exploring Christian Scripture provides a robust introductory overview of the narrative of Scripture and guides to how to locate the

particulars of each biblical book within this narrative It offers a collection of resources to familiarize lay and student audiences with the structure context and content of each book of the Bible and instructs on how to read it with an eye toward personal spiritual growth and practical application *Jesus Ben Sira of Jerusalem* Daniel J. Contextualization in the New Testament Dean Flemming, 2025-06-06 Winner of a Christianity Today Book Award Honored as one of the Fifteen Outstanding Books for Mission Studies by International Bulletin of Missionary Research From Cairo to Calcutta from Cochabamba to Columbus Christians are engaged in a conversation about how to speak and live the gospel in today s traditional modern and emergent cultures The technical term for their efforts is contextualization Missionary theorists have pondered and written on it at length More and more those who do theology in the West are also trying to discover new ways of communicating and embodying the gospel for an emerging postmodern culture But few have considered in depth how the early church contextualized the gospel And yet the New Testament provides numerous examples As both a crosscultural missionary and a New Testament scholar Dean Flemming is well equipped to examine how the early

church contextualized the gospel and to draw out lessons for today By carefully sifting the New Testament evidence
Flemming uncovers the patterns and parameters of a Paul or Mark or John as they spoke the Word on target and he brings
these to bear on our contemporary missiological task Rich in insights and conversant with frontline thinking this is a book
that will revitalize the conversation and refresh our speaking and living the gospel in today s cultures whether in traditional
modern or emergent contexts

Christ is God Over All George Carraway, 2013-08-15 This book is written against the
background of Christological scholarly thought since thepublication of Kyrios Christos by Bousset Carraway argues that the
syntax of Romans 9 5 suggests Paul meant to refer to Jesus as God and that his statement is not out of place at thebeginning
of Romans 9 11 He addresses objections to this conclusion responding to those who claim that a monotheist such as Paul
would not refer to Jesus as God and to those who point out that Paul does not elsewhere identify Jesus as God After
demonstrating that there is a connection between Romans 9 5 and the remainder of Romans 9 11 the argument continues by
tying Paul s monotheistic statements regarding the one God of both Jews and Gentiles in Romans 3 the concept of the one
Lord of all in Romans 10 5 13 The book concludes that the redeemer from Zion in 11 25 27 is Christ and is the same as the
Christ from Israel in 9 5
