and whites who grew up in Alabama in the 1930s further complete the historical landscape Articles and news stories from the 1950s depict the increasingly tense volatile environment in which the novel was written and published Documents examine the stereotypes of the poor white the African American and the southern belle and how the novel allows the reader to walk around in the shoes of those who have been stereotyped More current articles examine the legal literary and ethical ramifications of the novel These articles include a debate between lawyers over whether Atticus Finch was a hero and discussion of attempts to censor the novel     **Business Digest** ,1919     *The Current Business Cyclopedia* ,1919
