Handelman, 2012-07-18 The time that I have spent traveling in the many journeys of my life I find myself listening to sweet music I also find myself seeking not only words of wisdom that I can translate but I hear music that remind me of life past and the many hopes for the future In order to fully appreciate what any author is trying to articulate one must first put themselves into the poem or story to fully understand what they are trying to write or say Poetry is based upon the authors own interpretation of the subject that they are writing about True poetry is taken from the depth of ones own soul and their feelings at the time that they put the quill to the parchment **Homeward Bound** Jonathan Shaw, 2018-08-14 Picking up where Jonathan Shaw's critically acclaimed *Scab Vendor Confessions of a Tattoo Artist* left off *Homeward Bound* resumes the story of Cigano the tattoo man Cigano continues his full body tattoo work on a young acolyte Jaco who eagerly soaks up his tales *Homeward Bound* continues charting the amazing course of a life measured in extremes and all the singular people exotic places and outrageous events that shaped it into a survivor's tale of epic proportions In its pages Shaw takes the reader deeper than ever before not only into the bizarre recesses of his extraordinary mind and incredible adventures but also into the strange and magical process of memoir writing itself *Homeward Bound* is proof positive that truth is indeed stranger than fiction As Shaw's old friend and literary mentor Charles Bukowski once told him most of this book would have to be lived before it could be written In that sense *Homeward Bound* is much more than a compelling page turning chronicle of a popular working class hero's creative evolution It is a multicolored cinematic modern day *Odyssey* written in blood ink
