the first time how the philosopher was set up who did it and why The influence of the ancient Greek philosopher Socrates has been profound Even today over two thousand years after his death he remains one of the most renowned humans to have ever lived occupying a stratum with the likes of Buddha Jesus Muhammed Confucius and Moses It may not be too much to say that Socrates is the single most recognizable name in the history of all humanity The death of Socrates is in some ways the most famous unsolved murder mystery in history This book will solve the mystery revealing for the first time how he was set up who did it and why What follows is not a philosophical tract but something closer to a novel made all the more compelling because it s true This is a real life whodunit intertwined with a long running war rivalry sex addiction betrayal sedition starvation and epic bravery Socrates was the most rational of men living in the most irrational of times There is another side to this story impiety lack of reverence for the gods was a religious crime From the perspective of the religious authorities of the time the charge of impiety against Socrates was warranted his trial just and the penalty appropriate The priests did not tolerate scrutiny even in the form of philosophical critique To understand what happened and how it happened we have to come to terms with the motives of the priests and as importantly Socrates motives in provoking them His trial is perhaps first but not last great battle between philosophy and religion The repercussions of this ancient epic apply equally to the West today as Athens also endured pendulum swings between democracy and oligarchy always with bloodshed and never with Socrates s approval Victorine Catherine Texier,2007-12-18 In 1899 Victorine Texier abandons her small French village her husband and her two young children to follow her lover to Indochina She has fallen for Antoine her childhood sweetheart and when his work sends him to Asia she is compelled to go with him and to leave everything she knows behind Their five weeks together onboard the ship to Indochina are a kind of honeymoon a prelude to their liberation in a sultry new world of frangipani trees and monsoons Victorine gives herself over completely to this exhilarating new life of colonial extravagance that is until she encounters her youngest sister who has also been living in Hanoi and Saigon This reunion both joyous and tense reminds Victorine all too painfully of her life and family in France and forces her to confront exactly what she has done Vividly narrated through a series of flashbacks Victorine is a richly textured and passionate story of rebellion guilt and unruly love Little Dead Man Jake Bible,2014-05-15 Decades after the zombie apocalypse seventeen year old Garret Weir just wants to be a normal teenager As if dealing with the zombies isn t hard enough his annoying twin brother refuses to leave him in peace And it s not like Garret can just go to his room and shut the door to get away His brother Garth is a zombie and conjoined to the top of Garret s spine Good times Forced from his hidden mountain compound Garret must learn who to trust and who to fear as he and Garth are thrust into a world more horrific than anything they could imagine Fighting for their lives in a foreign landscape the brothers head north to find their father who may have the answer to the deadly virus that caused the zombie apocalypse Along their way they meet new friends learn betrayal the hard way fight for their mother s life run from deadly enemies and discover that life may have seemed difficult before but can always get a

whole lot worse A fast paced high action novel that doesn't pull any punches Little Dead Man is a surprisingly sweet story of two brothers one living one undead that struggle with a mother that is mentally unstable a missing father that has kept too many secrets and a lie their parents have always told that they are the last survivors on Earth When the truth of that lie is revealed Garret and Garth quickly find out that having other survivors in the world isn't exactly a good thing In fact it's quite deadly
