Longarm 027 Rurales:

Longarm and the Rurales Tabor Evans, 1982-12-01 **Lone Star 06** Wesley Ellis, 1982-12-01 The Wyoming cattle country explodes as Jessie and Ki face down a gang of rustlers in the sixth Lone Star novel They call them The Lone Star Legend Jessica Starbuck a magnificent woman of the West fighting for justice on America s frontier and Ki the martial arts master sworn to protect her and the code she lived by Together they conquered the West as no other man and woman ever had **Lone Star 01** Wesley Ellis, 1982-09-01 The first Lone Star novel from the creators of Longarm When the cartel murdered Jessie Starbuck s father they left behind the seed of their own destruction a young Western beauty with a deep hunger for vengeance Now word has reached Jessie that the conspirators are rustling Starbuck cattle hiring Starbuck ranchers and buying up Starbuck land in a spectacular plot to win control of the West Unless she and her partner Ki the mysterious Japanese martial artist can persuade them to stop Lone Star 18 Wesley Ellis, 1984-01-01 Jessie and Ki take on bloodthirsty buccaneers in the eighteenth Lone Star novel They call them The Lone Star Legend Jessica Starbuck a magnificent woman of the West fighting for justice on America s frontier and Ki the martial arts master sworn to protect her and the code she lived by Together they conquered the West as no other man and woman ever had *British rural landscapes on film* Paul Newland, 2016-09-01 British rural landscapes on film offers insights into how rural areas in Britain have been represented on film from the silent era through both world wars and on into the twenty first century It is the first book to exclusively deal with representations of the British countryside on film The contributors demonstrate that the countryside has provided Britain and its constituent nations and regions with a dense range of spaces in which cultural identities have been and continue to be worked through British rural landscapes on film demonstrates that British cinema provides numerous examples of how national identity and the identity of the countryside have been partly constructed through filmic representation and how British rural films can allow us to further understand the relationship between the cultural identities of specific areas of Britain and the landscapes they inhabit **Lone Star 02** Wesley Ellis, 1982-09-01 In wide open Frisco Jessie and Ki take on a Chinese gang in a deadly house of pleasure The international crime cartel that killed Jessie s dad is out to destroy the Starbuck empire and they re allied with the Steel Claw the gang leader of the West s wide open city To stop them Ki fights the tong while Jessie goes under covers in Frisco s most elegant brothel *International Handbook of Rural Demography* László J. Kulcsár, Katherine J. Curtis, 2011-12-15 This is the third in an essential series of Springer handbooks that explore key aspects of the nexus between demography and social science With an inclusive international perspective and founded on the principles of social demography this handbook shows how the rural population which recently dropped below 50 per cent of the world total remains a vital segment of society living in proximity to much needed developmental and amenity resources The rich diversity of rural areas shapes the capacity of resident communities to address far reaching social environmental and economic challenges Some will survive become sustainable and even thrive

while others will suffer rapid depopulation This handbook demonstrates how these future development trajectories will vary according to local characteristics including but not limited to population composition The growing complexity of rural society is in part a product of significant international variations in population trends making this comparative and comprehensive study of rural demography all the more relevant Collating the latest research on international rural demography the handbook will be an invaluable aid to policy makers as they try to understand how demographic dynamics depend on the economic social and environmental characteristics of rural areas It will also aid researchers assessing the unique factors at play in the rural context and endeavoring to produce meaningful results that will advance policy and scholarship Finally the handbook is an ideal text for graduate students in a spread of disciplines from sociology to international development
