The Longman Companion to America in the Era of the Two World Wars, 1910-1945 Patrick Renshaw, 2014-07-10
Between 1910 and 1945 the United States transformed itself into a Super Power By 1945 with rivals in Europe and Asia shattered by world war she dominated global economic financial and political arrangements and monopolised the atomic bomb This new Companion to History is an indispensable guide to this critical period in US history It includes chronologies listing all the major events both foreign and domestic social and economic history with many tables based on inaccessible data scores of mini biographies listings of the major office holders and maps

Longman Companion to the First World War Colin Nicolson, 2014-07-15 This new Companion covers one of the most devastating conflicts in modern history The Great War traumatised a generation and shaped the whole of the twentieth century Speaking as loudly as any first hand account the facts and figures laid out in this volume reveal the sheer massive destruction caused by the war Covering all aspects of the conflict from its origins and course to the peace settlements and the crises they generated Colin Nicolson unravels historical controversies and also considers the social cultural and economic consequences of the war for the whole of Europe Containing all the essential facts and figures this Companion will be greatly welcomed by teachers academics and students alike

Longman Companion to European Decolonisation in the Twentieth Century Muriel E. Chamberlain, 2014-06-11 This new Companion brings together in one single volume all the essential facts and figures relating to European decolonisation in the twentieth century Professor Chamberlain has taken each European empire in turn the British French Dutch Portuguese Spanish Belgian and Italian and for each one she has provided a detailed chronology of the process of decolonisation in the individual states

Longman Companion to Imperial Russia, 1689-1917 David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period

God and Uncle Sam Michael Francis Snape, 2015 America's armed forces were the products of one of the most diverse and dynamic religious cultures in the western world and were the largest ever to be raised by a professedly religious society Despite constitutional constraints a pre war religious depression and the myriad pitfalls of war religion played a crucial role in helping more than sixteen million uniformed Americans through the ordeal of World War II a fact that had profound and far reaching implications for the religious development of post war America
