Twelfth Night Graham Atkin,2008-01-12 The characters of Twelfth Night are both memorable and engaging and it is through their funny and at times bitter interplay that we experience the peculiar world of Shakespeare's Illyria This study begins with a introduction to the concept of characters on the early modern stage before proceeding to a textual analysis of each of the main characters in the play looking at how what they say and do and what is said about them creates the illusion of character Each chapter also contains a brief account of key performances by actors on stage and in film

Language and Characterisation Jonathan Culpeper,2014-07-23 Textual Explorations General Editors Mick Short Lancaster University Elena Semino Lancaster University The focus of this series is on the stylistic analysis of literary and non literary texts and the theoretical issues which such work raises Textual Explorations will include books that cover studies of literary authors genres and other groupings stylistic studies of non literary texts translation study the teaching of language and literature the empirical study of literature and corpus approaches to stylistics and literature study Books in the series will centre on texts written in English Readership of the series is mainly undergraduate and postgraduate students although advanced sixth formers will also find the books accessible The series will be of particular interest to those who study English language English literature text linguistics discourse analysis and communication studies

Language Characterisation People in Plays Other Texts explores how the words of a text create a particular impression of a character in the reader's mind Drawing together theories from linguistics social cognition and literary stylistics it is the first book length study to focus on the role of language and characterisation characterisation in the dialogue of play texts Containing numerous examples from Shakespeare's plays the book also considers a wide range of other genres including prose fiction verse films advertisements jokes and newspapers

Language and Characterisation is as practical as it is theoretical and equips readers with analytical frameworks to reveal and explain both the cognitive and the linguistic sides of characterisation Clear and detailed introductions are given to the theories and useful suggestions for further analysis are also made at the end of each part of the book The book will be essential reading for students and researchers of language literature and communication
