Look a Lion in the Eye Kathryn Hulme,1974 *Taking the Adventure* Gracia Fay Ellwood,2014-11-11 What is the relationship between faith especially Christian faith and a lifestyle that respects animals as our neighbors and kin Why should faith entail a commitment to vegetarianism Are animals meant to be heirs of the kingdom of God as well as human beings *Taking the Adventure* offers answers to these questions in the context of important biblical themes of Eden and Exodus of the prophetic imperative of Jesus as a prophet proclaiming liberty to the oppressed and the captives of the feast of the kingdom of the resurrection and life beyond death It explores imagery from familiar novels such as *A Christmas Carol* and *The Hobbit* that deal with cravings anxiety and true abundance It proposes that committing ourselves to live in God given peace with all living beings and sharing with others the good news of that peace is an adventure worth the best we can give an arduous and painful yet joyous adventure climaxing in return to the heart of God **Catalog of Copyright Entries.
