Pocahontas **Look, I Made a Hat** Stephen Sondheim, 2011-11-22 The second volume of Sondheim's collected lyrics is both a remarkable glimpse into the brilliant mind of a legend and a continuation of the acclaimed and best selling *Finishing the Hat*. Picking up where he left off in *Finishing the Hat*, Sondheim gives us all the lyrics along with excluded songs and early drafts of the Pulitzer Prize winning *Sunday in the Park with George*, *Into the Woods*, *Assassins*, and *Passion*. Here too is an in depth look at the evolution of *Wise Guys* which subsequently was transformed into *Bounce* and eventually became *Road Show*. Sondheim takes us through his contributions to both television and film some of which may surprise you and covers plenty of never before seen material from unproduced projects as well. There are abundant anecdotes about his many collaborations and readers are treated to rare personal material in this volume as Sondheim includes songs culled from commissions, parodies, and personal special occasions such as a hilarious song for Leonard Bernstein's seventieth birthday. As he did in the previous volume, Sondheim richly annotates his lyrics with invaluable advice on songwriting, discussions of theater history, and the state of the industry today, and exacting dissections of his work, both the successes and the failures. Filled with even more behind the scenes photographs and illustrations from Sondheim's original manuscripts, *Look I Made a Hat* is fascinating, devourable, and essential reading for any fan of the theater or this great man's work. *St. Nicholas*, 1891
