Newness of Life Marian McGrath Burn,2022-01-06 NEWNESS OF LIFE is a compilation of 101 meditations of the heart The content is Biblical and the language is simple These reflections are based on Scripture passages that were originally written during the lockdown year 2020 through 2021 in random order 365 in all They were arranged thematically later It was never meant to be published since it is a part of a personal prayer journal that the author later decided to share with others Some of the topics include Repentance Holiness Faith Divine Healing Salvation Praise and God s Eternal Word The Christian walk is not just terribly difficult a path so rocky that many fall by the wayside but it is downright impossible to achieve in our human strength It is however simple and full of joy when we partner with the Helper the Holy Spirit who abides in us The purpose of this book therefore is to address some of the doubts that haunt us and the lies of this world that cling to us from our past life It is the Truth alone that sets us free and enables us to live as Jesus taught us So NEWNESS OF LIFE is intended to encourage the Christian to walk by Faith and not by sight on the narrow path and in the victorious New Life that we have in Christ Jesus
