Looking For God A Seekers Guide To God:

Looking for God : a Seeker's Guide to God Woodbury, Clair,1983

The Seeker's Guide to Faith J. Peter

Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ

Looking For God Steven S. Sadleir,2010 A compendium of all the denominations of religious and spiritual groups and teachers over 250 sources in an updated 3rd edition

Dream Quest: A Seeker's Guide to Finding the Purpose of Being Justan Mann, PhD,2018-03-07 Dream Quest reveals a series of vivid lucid dreams that foretell the future and delve into the nature of being The dreams happened as described although they are presented within the context of a fictionalized trek that is set on the slopes of New Hampshire s Mount Major Alexander and his companions Verity and Futura eventually find refuge from the night s chill within Madame Leonedria s grotto Therein his dreams about the future human nature and reality are discussed in depth Alexander felt both cursed and blessed by these remarkable events for the gift that allowed him to find a metaphysical path to God s door slowly began consuming his mind Indeed the condition that sparked his visions degenerated Alexander s brain and his memories are now fading However the experiences were recorded long ago and they leave a message that might change your life This is far more than a book about spirituality or morality This is a quest for purpose

The Seeker's Guide to Being Catholic Mitch Finley,2010-06-01 Recognizing that being Catholic today means being a pilgrim a person with questions doubts and insecurities award winning author Mitch Finley invites readers to explore with him the riches of the Catholic tradition

Seeking God Trevor Hudson,2023-02-06 Jesus promised Seek and you will find Do you long for a transforming encounter with the living God Jesus assures us that those willing to become seekers will find what their hearts most deeply desire The promise is clear Those who seek God consistently faithfully and passionately will not be disappointed They will find God and all those good things that accompany God s Kingdom Profoundly influenced by his long friendship with Dallas Willard and his experience guiding people through the Spiritual Exercises of St Ignatius for the last thirty years Trevor Hudson offers you a practical tool kit for your seeking journey You search for God does not have to take you to a remote mountain top as God wants to meet us right where we are in our everyday lives Reading the wisdom contained within the pages of Seeking God will help you to move beyond insight and knowledge and encounter the presence of the living God as a reality in your daily life

The Living Church ,1980 *Seekers in the Hands of an Elusive God* Jeffery M. Leonard,2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God s presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God s will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as

the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God **Looking for GOD** Steven S. Sadleir,2008

Finding God's Will Zac Poonen,1971 *A Seeker's Guide to Christian Faith* Ben Campbell Johnson,2000 This Christian primer is for those who are asking the question How can I experience God A Seeker's Guide to Christian Faith serves as a simple introduction to the most basic understandings of the Christian faith and will help new believers and long time believers too begin the journey toward knowing God Ben Campbell Johnson has written 31 brief easy to read articles or guidances to help seekers begin to deepen their faith He gently leads the reader through the daily tenets of Christian living including prayer scripture reading meditation outreach and listening to God and helps them understand the importance of living faithfully In ordinary language free from church jargon the guidances are organized in six overarching themes essential to the Christian faith Getting Your Bearings Naming Your Hunger Learning a New Language Discovering the Book Expressing the Faith and Reaching Farther This little book will encourage people who are mostly new to the faith to make sense of inner longings and to recognize that God has always been present in their lives **Holistic Guidance C.** Drago,2003 *God Seeker* Elmer Towns,2023-02-21 WHAT IS A GOD SEEKER A person who gives 100 percent of their heart soul and energy to seek and find the Lord David was a God Seeker You will follow David the shepherd giant slayer fugitive and king on his lifelong journey to seek and find the presence of the Lord While walking along with David as he searches and seeks God you will Luther's Outlaw God Steven D. Paulson,2019-09-03 In this second of three volumes addressing Luther's outlaw God Steven D Paulson uses several biblical figures Ezekiel Jonah Moses David and more to illustrate Luther's understanding of law and gospel and what this means for preaching Paulson shows that the challenge of all preaching is revealing God's actual grace without using the law at all The gospel is what freed Luther from thinking of the world as split into two an obscure world where law accuses and a magical world where the law blesses With remarkable depth and clarity Paulson explores the question Where do we find a gracious God For Luther it was not in the law but only in the publicly executed and hated God Jesus Christ hidden in the cross Dancing with God Karen Baker-Fletcher,2006-12-01 Dancing With God is an exploration of the divine gifts of courage and grace in the face of evil Moreover it is a doctrine of God as the source of that courage Baker Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion a metaphor she uses for unnecessary violence She develops a process of relational womanist theology that

considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit She engages the contributions of a diversity of theologians like Paul Tillich Karl Barth Gordon Kaufman John Cobb Jr Majorie Suchocki Charles Hartshorne Andrew Sung Park and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin evil and suffering Through creative works like that of Alice Walker's *The Color Purple* and journalist Joyce King's account of the James Byrd Jr murder in Jasper County Texas Baker Fletcher reveals the healing encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence

The A to Z of the Seventh-Day Adventists Gary Land, 2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller's conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination's geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations

Historical Dictionary of the Seventh-Day Adventists Gary Land, 2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ's imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of *Historical Dictionary of the Seventh Day Adventists* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism

The a to

Z of the Seventh-Day Adventists Gary Land, 2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination *A Brief Guide to Spiritual Classics* James M. Russell, 2016-05-19 This very readable brief guide examines a wide range of spiritual writing that can be read for enjoyment or inspiration including some books that come from beyond any religious tradition While written from within the Christian tradition and offering introductions to the writings of medieval mystics Quakers and modern evangelists both Protestant and Catholic it also looks at classics of secular spirituality and writings from different religious traditions Each book is explained to convey a brief idea of what each one has to offer the interested reader while a Speed Read for each book delivers a quick sense of what each writer is like to read and a highly compressed summary of the main points of the book in question This is an excellent reference to dip into but within sections such as Early Christian Classics Secular Texts Lives of Inspiration and Alternative Approaches the books are arranged chronologically revealing some interesting juxtapositions and connections between them

Looking For God A Seekers Guide To God Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become much more evident than ever. They have the ability to inspire, provoke, and ignite change. Such could be the essence of the book **Looking For God A Seekers Guide To God**, a literary masterpiece that delves deep to the significance of words and their effect on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
