Real Talk in Elementary Classrooms Maureen P. Boyd, Lee Galda, 2011-07-07

Describing effective creative strategies for talking with students in ways that enhance literacy learning this book offers a window into the classrooms of four exemplary teachers Principles of productive classroom discussions are illustrated with detailed case examples The book shows how and explains why real talk can enhance student engagement foster critical thinking promote mastery of literacy concepts and instill a lasting love of reading It offers ideas for selecting children's literature and fitting a range of interactive literacy activities into the school day The authors draw on current knowledge about the connections between oral language and literacy development across the elementary grades Critical Literacy

Across the K-6 Curriculum Vivian Maria Vasquez, 2016-09-01 Through stories from kindergarten to sixth grade classrooms where students and teachers have attempted to put a critical edge on their teaching this book shows critical literacy in action across the curriculum Readers see students and teachers together using critical literacy discourse to frame conversations in ways that engage students in examining the meaning of the texts they read and acting on local and global social issues that emerge Drawing on multiple perspectives such as cross curricular explorations multimedia and child centered inquiry pedagogies the text features a theoretical toolkit demonstrations from across the content areas including art music and media literacy integration of technology and attention to how critical literacy can inform decisions about standards and assessment Annotated booklists examples of students work Reflection Questions Try This practical classroom strategies and Resource Boxes can be used to encourage and support engaging in critical literacy work in different areas of the curriculum

Patricia MacLachlan David L. Russell, 1997 For Sarah and its sequel Skylark as well as for Arthur for the Very First Time Cassie Binigar Journey and Baby MacLachlan has earned nearly every prestigious award bestowed on children's writers including the Golden Kite Award ALA Notable Book citations the Scott O Dell Historical Fiction Award and for the body of her work the University of Southern Mississippi Medallion Through the Shadowlands Julie Rehmeyer, 2017-05-23 Julie Rehmeyer felt like she was going to the desert to die Julie fully expected to be breathing at the end of the trip but driving into Death Valley felt like giving up surrendering She'd spent years battling a mysterious illness so extreme that she often couldn't turn over in her bed The top specialists in the world were powerless to help and research on her disease chronic fatigue syndrome was at a near standstill Having exhausted the plausible ideas Julie turned to an implausible one Going against both her instincts and her training as a science journalist and mathematician she followed the advice of strangers she'd met on the Internet Their theory that mold in her home and possessions was making her sick struck her as wacky pseudoscience But they had recovered from chronic fatigue syndrome as severe as hers To test the theory that toxic mold was making her sick Julie drove into the desert alone leaving behind everything she owned She wasn't even certain she was well enough to take care of herself once she was there She felt stripped not only of the life she'd known but any future she could imagine With

only her scientific savvy investigative journalism skills and dog Frances to rely on Julie carved out her own path to wellness and uncovered how shocking scientific neglect and misconduct had forced her and millions of others to go it alone In stunning prose she describes how her illness transformed her understanding of science medicine and spirituality Through the Shadowlands brings scientific authority to a misunderstood disease and spins an incredible and compelling story of tenacity resourcefulness acceptance and love

Eating Stone Ellen Meloy, 2009-07-29 Long believed to be disappearing and possibly even extinct the Southwestern bighorn sheep of Utah s canyonlands have made a surprising comeback Naturalist Ellen Meloy tracks a band of these majestic creatures through backcountry hikes downriver floats and travels across the Southwest Alone in the wilderness Meloy chronicles her communion with the bighorns and laments the growing severance of man from nature a severance that she feels has left us spiritually hungry Wry quirky and perceptive Eating Stone is a brilliant and wholly original tribute to the natural world
