Lord Byrons Novel The Evening Land:

Lord Byron's Novel John Crowley, 2005-06-14 One of the most accomplished literary artists of our time John Crowley has given us fiction that illuminates and astounds from the wonder and whimsy of *Little Big* to the poignancy and lyrical beauty of *The Translator* Now he turns his unique genius in a different direction to imagine the novel the great haunted and enigmatic Romantic poet Lord Byron never penned but very well might have Documents discovered in a rotting old trunk in an English storage room prove that the manuscript of a novel by Byron once existed and that it was saved from destruction read and annotated by Ada Countess of Lovelace a brilliant mathematician and Byron's abandoned daughter during the final agonizing months of her young life While the curious mystery of what became of the manuscript itself is explored we are permitted to read it the whole of Byron's only novel beginning to end And what a novel it is a thrilling romance chock full of treacheries and deceptions loves and fortunes gloriously gained and tragically lost a tale of blood vengeance and mystery of thrilling escapes and ruthless murder Yet in the story of Ali the bastard son of the demonic Lord Sane torn from his life in high Albania to be raised a proper if penniless English gentleman Ada finds gripping revelations of its author's hidden character and glimpses into the secrets of his soul John Crowley's masterly creation is in itself a stunning and unprecedented act of literary impersonation But Lord Byron's Novel is much more weaving strands from different centuries into an extraordinary tapestry of loss and discovery and the powerful invisible threads that eternally bind parent to child It is the story of a dying daughter's poignant attempt to understand the famous absent father she longed for to her last day and the contemporary tale of the determined young woman who by learning the secret of Byron's manuscript and Ada's devotion reconnects with her own father who was driven from her life by a crime as terrible as any Byron was accused of John Crowley's novel is a wonder a modern masterwork that moves enlightens and satisfies on every level

Ka John Crowley, 2017-10-24 Dar Oakley the first Crow in all of Crow history with a name of his own was born two thousand years ago He tells the story of his impossible lives and deaths to a man who has learned his language in this exquisite novel which unravels like a fireside fable by award winning author John Crowley In Ka we see how young Dar Oakley went down into the human underworld long before Julius Caesar came into the Celtic lands and there got hold of the immortality meant for humans how he sailed West to America with the Irish monks searching for the Paradise of the Saints how again and again he went down into the lands of the dead and returned All these beings inhabit Ka the realm of Crows and dwell also in Ymr the realm where as Dar Oakley learns what humans think is so really is so even though we could have so much more *The Chemical Wedding* John Crowley, 2016-11-21 Often described as an alchemical allegory John Crowley instead decided this is the first science fiction novel After all it's fiction it's about the possibilities of a science and it's a novel No matter what else it might be it's definitely one of the great outlandish stories in Western literature Illustrated throughout with weird and fascinating woodcuts by Theo Fadel **Luzifer** Lucia Leman, 2011-10-27 Like Salman Rushdie's Satanic Verses the poetry volume Lucifer 2000 by the Croatia born Lucia Leman caused a huge outcry and a fatwah on its author immediately upon its release The award winning poet was vilified by the Croatian press and refused work on all state institutions for having written a shattering verse narrative told from the perspective of an incest victim Apart from having to face her own daily nightmares sourced in the severe sexual abuse from an alcoholic parent the incest survivor has to face the humiliations from a community well aware of her secret The scandal around Leman's book was caused by her own parents closely associated with the conservative Croatian government In effect a public vendetta was launched where Leman was condemned not on the grounds of giving a false testimony against her parents but for causing a blow to an imagined family honour In a country wanting a viable democratic structure for a EU membership Leman was seen as transgressing against the unwritten law of male ownership over women and children Lucifer was acquired by the Croatian Ministry of Culture and distributed to the public libraries launching Leman as a full time writer She has been compared to Sylvia Plath and Eve
