death Rolling Stone writer Anthony DeCurtis who knew Reed and interviewed him extensively tells the provocative story of his complex and chameleonic life With unparalleled access to dozens of Reed s friends family and collaborators DeCurtis tracks Reed s five decade career through the accounts of those who knew him and through Reed s most revealing testimony his music We travel deep into his defiantly subterranean world enter the studio as the Velvet Underground record their groundbreaking work and revel in Reed s relationships with such legendary figures as Andy Warhol David Bowie and Laurie Anderson Gritty intimate and unflinching Lou Reed is an illuminating tribute to one of the most incendiary artists of our time

*Remembering A.J.* Andrew Johnston,2022-01-20 What do I strive to contribute through my passion and visions I want

to help make the world make a little more sense I want to do work as a critic and journalist that helps increase the audience of work that deserves exposure and explain why it deserves exposure And eventually I want to create artistic work of my own in the form of fiction or essays that in its own way does the same thing work that illustrates connections puts things in context and ultimately makes people realize that for all the insane bullshit that s going on out there and has been going on out there since time immemorial the world is really a pretty cool place AJ
