Gauguin, 1997-01-01 These journals are an illuminating self portrait of a unique personality They bring sharply into focus for me his goodness his humor his insurgent spirit his clarity of vision his inordinate hatred of hypocrisy and sham Emil Gauguin the artist's son in the Preface One of the great innovative figures in modern art Gauguin was a complex driven individual who in 1883 gave up his job as a stockbroker in order to be free to paint every day As time passed he determined to sacrifice everything for his artistic vocation Finally in pursuit of a place to paint natural men and women living lives unstained by the sham and hypocrisy of civilization he took up residence in the South Seas first in Tahiti and later in the Marquesas Islands Completed during the artist's final sojourn in the Marquesas these revealing journals reprinted from rare limited edition throw much light on the painter's inner life and his thoughts about a great many topics We learn of Gauguin's first stay in Paris in 1876 and his initial encounter with Impressionism his tumultuous relationship with van Gogh when they lived and painted together in Arles his pithy evaluations of Degas Cezanne Manet and other artists his opinion of art dealers and critics

poor and much more Also here are illuminating glimpses of Gauguin s life in the islands his delight in the simple carefree lives of the natives and the physical charms of Polynesian women counterbalanced by his struggles with poverty hatred of the missionaries and despair over the failures of French colonial justice Witty wide ranging and aphoristic these writings are not only entertaining in themselves they are crucial for anyone seeking to understand Gauguin and his work The text is enhanced with 27 full page illustrations by Gauguin Dover 1997 unabridged republication of Paul Gauguin s *Intimate Journals* Boni and Liveright New York 1921      *Leonardo on the Human Body* Leonardo da Vinci,2013-07-24 Here are clear reproductions of over 1 200 anatomical drawings by one of humanity s greatest geniuses still considered nearly five centuries later the finest ever rendered 215 plates      *Leonardo on Art and the Artist* Leonardo da Vinci,2012-08-08 Systematic grouped passages of Leonardo s writings concerning painting focusing on problems of interpretation More than an anthology it offers a reconstruction of the underlying meaning of Leonardo s words Introductions notes bibliography reference materials Over 125 black and white illustrations      *Rodin on Art and Artists* Auguste Rodin,Paul Gsell,1983-01-01 In an intimate talk with his protégé the great sculptor offers candid wide ranging comments on a diverse range of topics the meaning of art other famed artists the relationship of sculpture to poetry painting and music his philosophy of life and much more Seventy six black and white illustrations of Rodin s sculptures drawings and prints are included      **Recollections of a Picture Dealer** Ambroise Vollard,2012-07-17 Art merchant recounts selling the works of C zanne partying with Renoir Forain Degas and Rodin the studios of Manet Matisse Picasso and Rousseau encounters with Gertrude Stein Zola others 33 illustrations
