Female Physicians in American Literature Margaret Jay Jessee,2021-12-28 Female Physicians in American Literature traces the woman physician character throughout her varying depictions in 19th century literature from her appearance in sensational fiction as an evil abortionist to her more well known idyllic feminine presence in novels of realism and regionalism Murderess hag She Devil the instrument of the very vilest crime known in the annals of hell these are just a few descriptions of women abortionists in popular 19th century sensational fiction In novels of regionalism however she is often depicted as moral feminine and self sacrificing This dichotomy Jessee argues reveals two opposing literary approaches to registering the national fears of all that both women and abortion evoke the terrifying threats to white masculine Anglo American male supremacy *Twentieth-century Romance and Historical Writers* Lesley Henderson,D. Twentieth-century Romance and Gothic Writers James Vinson,D. L. Kirkpatrick,1982 **The Descent of Love** Bert Bender,2015-11-16 Upon its publication in 1871 Charles Darwin s *The Descent of Man and Selection in Relation to Sex* sent shock waves through the scientific community and the public at large In an original and persuasive study Bert Bender demonstrates that it is this treatise on sexual selection rather than any of Darwin s earlier works on evolution that provoked the most immediate and vigorous response from American fiction writers These authors embraced and incorporated Darwin s theories insights and language creating an increasingly dark and violent view of sexual love in American realist literature In *The Descent of Love* Bender carefully rereads the works of William Dean Howells Henry James Elizabeth Stuart Phelps Sarah Orne Jewett Kate Chopin Harold Frederic Charles W Chesnutt Edith Wharton and Ernest Hemingway teasing from them a startling but utterly convincing preoccupation with questions of sexual selection Competing for readership as novelists who best grasped the real nature of human love these writers also participated in a heated social debate over racial and sexual differences and the nature of sex itself Influenced more by *The Descent of Man* than by *The Origin of Species* Bender s novelists built upon Darwin s anthropological and zoological materials to anatomize their character s courtship behavior returning consistently to concerns with physical beauty natural dominance and the power to select a mate Bringing the resources of the history of science and intellectual history to this the first full length study of the impact of Darwin s theories

in American literature Bender revises accepted views of social Darwinism American literary realism and modernism in American literature forever changing our perceptions of courtship and sexual interaction in American fiction from 1871 to 1926 and beyond **A Touch of Love from Heaven** Angel Love,2005-11 Standing in the Great Room at my home I see a rainbow appearing between the mirrors on my living room wall I note that the six colors of the chakra system are in the correct sequence red orange yellow green blue and lilac at the top of the rainbow Looking at my watch the time is 5 50 p m The rainbow disappears and now none can be seen The time is 5 55 p m Next almost immediately two rainbows appear The first one is on the back of the Great Room Wall to the right above the sofa while I stand there facing the mirrors The second rainbow appears on the lamp Both of them contain the six colors of the chakra system in the chronological order I am left wondering if these visuals are the light of God giving me the go ahead for putting my writings into the hands of the people Since the chakra system and the rainbow are both utilized in my writings I believe this sign is from God and no accident
