In God's Image Peter A. Comensoli,2018-04-24 In God s Image Recognizing the Profoundly Impaired as Persons is a bold Catholic argument in defense of the profoundly impaired While a range of theological voices can now be heard speaking up on behalf of those who live their lives at the extremes of the human condition few voices have been explicitly Catholic Comensoli draws on the irreplaceable contribution of St Thomas Aquinas to forge an engagement with one of the leading thinkers in the theology of the disabled Professor Hans Reinders While recognizing the crucial contribution that Reinders has made Comensoli situates our perception of the cognitively impaired within the horizon of God s own image refusing a reduction of the substantialist position the Catholic tradition has always valued This is linked to the fresh and countercultural community life pioneered by Jean Vanier founder of the L Arche communities For Comensoli the profoundly impaired are persons whose personhood cannot be recognized outside of the condition of their impairment and through which God s Image is perceived in all its paradoxical implications

**Playing a Happy Life with Great Freedom** Zhi Xin,2021-12-20 This book tells us how to understand the nature of life that is life habit energies and habitual mental operation modes how to observe the life benefits projected by different mental models and see through the causes behind them In this book teacher Zhi Xin shared the mystery of how ordinary people can really play to lead a happy life Everything he shared comes from his own spiritual practice for decades through which he has successfully proved in person all kinds of

mysterious manifestations and then summed them up into a very clear principal and shared it with everyone without reservation This mystery lies in every one of us Although everyone is born with self sufficient innate freedom and perfect wisdom in life one may descend from realization to confusion because one may acquire wrong knowledge or understanding during the course of life Such false belief may even evolve or expand to become the confusion and or pain of life the joys and sorrows of families the contradictions and struggles between countries and the various crises that mankind is currently facing Under any of these circumstances it will become an unattainable luxury for one to live happily and freely Even the most basic demands of human beings who just want to survive can be totally destroyed by the driving mode of opposition and confrontation with each other Therefore the launch of this book is like a lighthouse in the dark night making it full of hope as long as he or she truly masters the mystery of operating life shared in this book As this book says it only takes three years to cleanse our destiny and then we can get back all the innate good things that we owned at birth This book emphasizes this dharma of mind repeatedly With the help of the complete wisdom arising from the book we can break the delusion layer by layer until we can see clearly the truth of life It is the moment when we will free ourselves from eternal imprisonment and give out a hearty laugh from the bottom of our heart      *Inspiration Between Friends* S L Atkins,2012-01-09 This journey began as daily inspirations that we wrote to encourage each other as we went through our individual trials It is our hope that you will also be encouraged that you will find peace and strength in God s love knowing with absolute certainty that no matter what difficulty you are experiencing God is with you He is in control and you can place your absolute trust in Him God has promised to never leave us nor forsake us Nothing and no one can separate us from His love He is the One and only true God the First and the Last the Beginning and the End the Alpha and the Omega Without Him we can do nothing but with Him all things are possible because He who is in us is greater than he who is in the world God s grace and mercy towards us is infinite sufficient and totally undeserved We will never be perfect and there will be times when we fall but we will also get up We are accountable for our actions We can talk with God at any time day or night He is never too busy and even though He carries the weight of the world on His shoulders He is still willing to add our burdens to that weight No matter how the rest of the world chooses to view our Heavenly Father we will worship the Lord
