When You Least Expect It LaShonda Bivens, 2018-08-15 This story is about the ups and downs of dating relationships and life It teaches you love faith fun and never to give up hope The tricks the treats the bumps and bruises Get ready for a whirlwind of events that will keep you turning pages They went out and slow danced for a while Donnell had a firm grip but not unbearable He smelled so good and felt even better All Donnell could think was wow this woman is beautiful smart and sweet She doesn't overdo her makeup She's just natural She can't be real Something has to be wrong He laughed Camille asked What's funny He said Well I was just thinking you can't be real Camille giggled and said Well truthfully I was thinking a similar thought So we are on the same page The food arrived at the table They looked at each other like let's go eat They admired how tasty the food looked They said grace and dug in Dinner was scrumptious The waiter brought the check out and asked if it was together or separate Camille started to say separate as Donnell quickly said together and slid the waiter his card She just gave him a look and he said I asked you to dinner Did you really think you'd

have to pay She was like Hey you never know He said Well I got it If you up for it we can take a walk down the piers maybe grab dessert if you have room She said Sure They headed out and down the strip enjoying the view of the water and the slight breeze of the night air Donnell grabbed Camille s hand and she just looked at him He pulled her in a little and she slowly leaned in the rest of the way Seconds later their lips met and all you could see were fireworks and that song Fire and Desire by Rick James and Tina Marie was playing in the background They stayed pressed and locked for a good minute then released I hope you all enjoy this novel Please learn to appreciate the love you have and never give up on the true love you seek Hyper-Grace Michael L.
