## **Love Is :**

**Love Is** Craig R Durrant,2019-11-17 What is love Craig thought that he knew what it was until his life fell apart and his dreams shattered along with all that he held close to his heart burnt in the fires of divorce and broken hearts He thought it was giving up our dreams in order to please others and to do whatever it takes to make them happy but that isn't love Everything that he thought was love failed over and over and felt more like neediness and desperation instead of love Believing that his only source of love was from others he had given away his dreams and his power which left him feeling broken and needy Love is a heart and soul learning how to love and dream again with increased openness and greater depth Love is many things but it is never needy or broken In his journey to love again the answers came It exposes our inner song as a gift to those we love and to the world This is a gift to the world It is Craig's inner song of loving again with the transparency and nakedness of love It is remembering and learning that love is Read on and see if it speaks to your soul like it has for so many others Love is Love Is a Story Robert J. Sternberg,1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashing incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out **Love Is . . .** Les and Leslie Parrott,2009-12-15 For those who want to grow in the art of loving well Reflections on 1 Corinthians 13 featuring 16 different translations and paraphrases of the Bible's beloved Love Chapter **Only Love Is Real** Tom Larontonda,2013-06-14 As long as worldly love continues to be considered our means of salvation we will forever experience war greed hunger disease homelessness and every other form of pain and suffering that the dream can create This book is not about vastly improving worldly love into something newer better and bigger That strategy has gone on for centuries yet world peace has never been achieved This book is one soul's humble yet dedicated attempt to truly connect with those who will listen and inspire them to stop and hear the magnificence

of their heart and to put aside the egos insane influence and ask one simple question What has my strong allegiance to the illusions of this world truly created in my life     Love is the Law Marieta Oslanec, Esq. ,2019-10-22 It took me 16 years to understand that in order to find true love happiness peace and abundance I needed to go within During those years I experienced several painful breakups and went from one relationship to another only to realize that the most important love is self love The most painful break up was the beginning of my life long love story I moved from Slovakia to the USA with only 700 USD and without speaking a word of English I put myself through law school and became a licensed attorney in New York Nobody would hire me so I started my own company and hired myself I then decided to challenge myself further and travel the world solo I spent 30 days in complete silence in meditation retreats throughout Bali Nepal and Hawaii During this period I faced my deepest fears and came to discover that they were only illusions The truth is many of our fears are not real they are just our ego trying to protect us What is real is love and that is our higher self The Universe is governed by the ultimate Law that is Love and when we all collectively raise our consciousness we will be able to create a new world In this book you will learn how to Heal a broken heart and fall in love with yourself Change a limiting money mindset and attract abundance Discover your purpose and start a purpose driven business Meditate and tap into your higher self Create a healthy relationship with your body then go beyond reading words and concepts to open your mind and heart and enter the space between words beyond knowledge to Spirit where Love is the Law Sylva Dvorak PhD New York Times Bestselling Author Your Hidden Riches Unleashing the Power of Ritual to Create a Life of Meaning and Purpose     **Love Is Not Enough** Olumide Emmanuel,2012 Olumide Emmanuel has done it again in his unusual simple practical and loaded approach to writing In this unique book written for the singles and couples he brings a new revelation to the issue of love in relationship What do you do when after you are married you discovered a terrible secret about your partner With this thought provoking question the author brings us into a world of reality to see that LOVE IS NOT ENOUGH Olumide Oladapo Emmanuel is a man of multiple graces with influence across the religious and secular arena He is a Bible Scholar a Role Model a Creative Thinker a Motivational Speaker a Business Man Entrepreneur Wealth Creation Agent Leadership Developer Counsellor and Resource Person also a Church Planter Consultant and Administrator He is a best selling author with over forty 40 books which have been celebrated both within and outside the shores of Nigeria He is the General Overseer of Calvary Bible Church Idimu Lagos He is the host of the Wisdom for Singles conference which was birthed February 14 1999 Wisdom for Singles today is a household name in Nigeria and beyond touching thousands of youths and singles His daily and weekly media broadcast is a delight to millions He sits on the board of numerous businesses and directly manages some of them which include Common Sense Ltd a group of businesses Parable Ventures Ltd PVL Wealth Creation Network WCN Dynamites Forum International DFI an NGO and many others He is the Setman over The Empowerment Assembly TEA and Executive Director Success Business Leadership School SBLS He is the Founder President of Olumide Emmanuel Foundation

**Love Is the Resistance** Ashley Abercrombie,2021-08-31 When it comes to disagreement we are in perpetual fight or flight mode Rather than respond with a posture of compassion and connection we are encouraged to resist others personally and politically Either we engage in fruitless arguments with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us But the real resistance the kind that helps us grow is learning to love others especially those who disagree with us If you re tired of seeing your real life and online communities in turmoil and you long to be an agent of peace understanding and reconciliation it s time to join a new kind of resistance movement one that pushes us toward personal transformation Grounded in Scripture and illustrated with compelling true stories this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others stop avoiding necessary tension and resolve your internal and external conflicts When we make love our habitual reaction to the conflicts and divisions in our lives we ll find that we can stay true to our convictions without sacrificing our relationships

**Savior** Rumi, 2016-02-01 This new volume of Rumi's works the first ever English translation of his Arabic poems will be exciting for the newcomer to Rumi's verses as well as to readers already familiar with his mystical philosophy The poems take the reader on a journey of spiritual exploration ecstatic union cruel rejection and mystic reconciliation Rumi reveals his soul and welcomes everyone to his spiritual feast This dual language volume opens a treasury of Rumi's mystic thought and startling poetry His verses pulsate with desire and longing with sensuality and with ecstatic celebration Rumi found in his mystic poetry a vehicle for the expression of the endless spiritual bounties of love He placed love at the center of his faith and doctrine and he pronounced it to be the goal of his life and the only form of true worship This collection is stunningly rendered in English by an award winning poet and a distinguished translator of Arabic poetry Love is Not a Liquid Asset John Faithful Hamer, 2020-04-19 Sex is love's fast forward button If you're normal sooner or later you're going to fall in love with the person you're sleeping with or they're going to fall in love with you whether you like it or not Passionate love as Jonathan Haidt rightly observes in The Happiness Hypothesis 2006 is a drug Its symptoms overlap with those of heroin and cocaine Passionate love alters the activity of several parts of the brain including parts that are involved in the release of

dopamine Any experience that feels intensely good releases dopamine and the dopamine link is crucial here because drugs that artificially raise dopamine levels as do heroin and cocaine put you at risk of addiction The feelings we develop for someone we're sleeping with are powerful This is largely a function of oxytocin a hormone normally associated with mother infant bonding In most mammals oxytocin is released solely during breastfeeding where it helps to forge a powerful bond between mother and child But in certain species large quantities of oxytocin are also released during sex where it helps to forge a powerful bond between lovers In Blueprint 2019 Nicholas A Christakis maintains that these modifications of the oxytocin reflex are nothing short of astounding a set of physiological experiences that originally evolved to facilitate mother child bonding have in our species evolved to facilitate and support pair bonding The neural circuits that light up in a woman's brain are similar whether she looks at her baby or her partner Evolution seems to have selected for human neediness This explains the voracious nature of human sexuality Unlike tigers bears and salamanders who only have sex during the mating season we have sex all year round What's more we have a great deal of sex that's clearly not going to result in pregnancy e.g. gay sex straight sex after menopause etc Sex's primary purpose has long since transcended procreation Sexual desire renders us needy It takes us out of ourselves and into the world making hunters of us all If the greatest friendships fall into our laps serendipitously like the treasure you find buried in your own backyard the greatest loves of our lives are like spoils we bring home from the field of battle

Muir,1986-01-15 Although Calderon s comedy has received rather less attention than the other genres in which he excelled it is widely acknowledged that his comic plays are unrivalled among his contemporaries in terms of plot structure and technical expertise they also explore contemporary issues to an extent which has not been appreciated Love is no Laughing Matter is one of the best in which the dramatist casts a sardonic eye on male chauvinism women s education and social snobbery This is the first complete text of the play to be published since 1650 Spanish text with facing page translation      *When Love Is Not Enough* Donna Piazza, PHD,2014-05-22 When Love Is Not Enough relates how a multitude of factors the competence of staff the safety nurturing and protective elements of the emotional physical and political setting and all overt and covert organizational dynamics determine whether or not a treatment setting accomplishes its therapeutic aims Authors in When Love Is Not Enough continue the emphasis on the group as a whole Group Relation model of organizational and group processes begun with Wilfred Bion s work at the Tavistok Clinic in London in the 1940s This model helps those providing services to children and adolescents evaluate their treatment programs and make the necessary changes toward improvement Chapters in When Love Is Not Enough are dedicated to improving the psychological treatment of children and adolescents in postmodern society a society in which life in interdependent communities is becoming increasingly important for the health and survival of all persons Topics covered include the Tavistok approach to understanding group and organizational behavior the emphasis on group as a whole in problem solving and treatment design narrowing the gap between plan and outcome the dynamics involved in the psychiatric treatment of children issues of staff selection training
