Love Is 4:

Journeying Life with God/living God's Love 4 Tm' 2002 Ed. , Violent Love #4 Frank J. Barbieri, 2017-02-15 Chapter Four FINE YOUNG KNIVES *My Love 4* , 2014-02-14 *Great Love (for Guys)* Aubrey Spears, Chandra Peele, 2005 Candid Relevant Life Changing Relationship Altering In a candid relevant approach Great Love discusses ways that the world has distorted what God intended for intimacy and pleasure within the boundary of marriage Because our culture is saturated with a devastating sexual immorality Satan leads teenagers to experience sex as an ever increasing craving for an ever decreasing satisfaction But God has a better plan **The Love of God** Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series *A Love for Nothingness, A Love for Death* Alberto Castelli, 2024-06-15 This book aims at explaining romantic love between straight adults through literary texts of the western canon from the nineteenth and twentieth century Each chapter comes with a multidisciplinary approach in which protagonists are mutilated in their quest for loving as alternative to annihilation The book emphasizes love as an obsession thus as an exploration of the mind From the passion myth of Tristan and Isolde to the nihilist modernist representations the western world has created a perverse concept of love A love for nothingness for death Narcissistic and at times destructive love is gained by overcoming obstacles If without obstacles there is no love then love becomes love for obstacles Within this masochistic frame love falling in love being loved always stand at the edge of pathology At its core this book narrates a love story more precisely a story of loves the haunting evocation of a desire that by its very nature cannot be fulfilled Inherent in the nature of love is a subtle dialectical activity between presence and absence between creation and destruction reality and void Accordingly the narrative raises questions that the past two centuries were incapable of answering Does love only last the time of a kiss Is its promise fatally destined to dissolve What about violence Physical emotional temporal Is it an ineliminable part of love or its most extreme profanation And what is the mystery that accompanies loves that know how to last without resigning themselves to the death of desire It is to answer some of these questions that I wrote this text Love is an unconscious process that dominates reason and destroys it when reason cannot be a mode of communication Hence the amorous romance is madness and this text is written as a loud reminder *Awe for the Tiger, Love for the Lamb* Rod Preece, 2002 First Published in 2003 Routledge is an
