A Letter to My Son I had no idea why I was so compelled to purge these pessimistic thoughts from my system in such a public way But several years later I know It s as though it was meant to be all along and my second and third books bring it all full circle I was saying good bye to that troubled phase in my life and opening myself up to something new Two and a half years later something new arrived a more optimistic viewpoint that changed the path I was on and spawned the creation of my second book titled A Letter to My Daughter About the Author When Kim S published her first book A Letter to My Son in 2004 she had no idea why she was compelled to purge her negativity in such a public way But several years later she knows It s as though it was meant to be all along and her second and third books bring it all full circle A Letter to My Son was based on some of Kim s life experiences but many of the characters were fictional and some of the story ideas were sparked by nothing more than a telephone conversation The book which stemmed from a family tragedy that happened when she was a teenager was a reflection of her mindset at the time She saw herself as a victim of circumstance and this was the vantage point she viewed the world from for many years to come After being introduced to the Law of Attraction in early 2007 Kim S was so inspired that she wrote and published her second book A Letter to My Daughter in record speed It expressed a joyful time in her life and it communicated a message of being true to yourself while respecting other people s choices Kim resolved to put this theory to the test to determine for herself if it is true that we get what we focus on After nearly three years of consciously and deliberately applying the principles of the Law of Attraction in her life she is proud to present her third book titled 11 11 Kim S believes we always prove ourselves right We all receive what we expect to receive from life and we attract the circumstances that match our personal vibrations at any given time This is a natural impartial law of our universe just as gravity is and each of her books demonstrates it very clearly in its own way     Divining Your Dreams Jonathan Sharp,2010-06-15 Your Dreams Can Show You the Way We all know that our dreams mean something but do you realize that your dreams can actually help you In the Kabbalistic tradition dreams are prized as the key that unlocks the spiritual door leading to a path of greater wisdom In this rich and unique guide you will learn how simple and practical steps can help you use the messages in your dreams to unleash healing creativity and personal fulfillment Kabbalistic experts Jonathan Sharp and Dr Edward Hoffman clearly explain how the Kabbalah works along with its varied mysterious and fascinating components These include the Tree of Life the Tarot deck the hundred most important symbols from Zohar the ancient text on which the Kabbalah is based and the numerology of the letters in the Hebrew alphabet Following is a comprehensive list of more than eight hundred and fifty dream images with interpretations evaluations and unique prescriptions to help bring energy and inspiration to your spiritual journey Each dream entry includes Meaning An overview of the image s significance as well as a numerological evaluation and interpretation Tree of Life What the dream tells the dreamer about where she is on her life path specifically in terms of spiritual development and emotional relationships The Journey Practical advice on what steps to take so that you can use your dream to take you where you want to go solve problems explore possibilities find the
