## Love Remembered:

**Messages of Love Remembered** Pauli Rose Libsohn, 2019-06-26 This creative work compiled solely of Mitzi and David Libsohn's original verses of poetry and letters of love is an artistic effort by their daughter Pauli Rose Libsohn relating to and involving their lives throughout the years in essence telling their story. Their passion unleashed their creative energy and can be observed in these messages of love composed for all and various occasions written on gorgeous greeting cards purchased with that very love which they believed warranted these their intimate communiques belonging solely to them. Mitzi and David Libsohn spoke the language of love through the written word and thrilled to the sight of a card or letter for they knew they would be the recipient of those precious messages of love. With this original compilation author Pauli Rose Libsohn has brought insight into how generations before spoke in this uniquely non-verbal style of passion exchanging words in beautiful penmanship putting it all down on gorgeous cards and paper. The art of love's expression is practically non-existent in today's world. Lovers of years gone by have been lost to the ages but with this discovered work Pauli is able to show the true meaning of Love's written word.

*Love, Remember* Malcolm Guite, 2017-11-30 The bestselling poet Malcolm Guite chooses forty poems from across the centuries that express the universal experience of loss and reflects on them in order to draw out the comfort, understanding and hope they offer. Some of the poems will be familiar, many will be new but together they provide a sure companion for the journey across difficult terrain. Some of Malcolm's own poetry is included written out of his work as a priest with the dying and the bereaved and giving to the volume a powerful authenticity. The choice of forty poems is significant and reflects an ancient practice still observed in some European and Middle Eastern societies of taking extra special care of a bereaved person in the forty days following a death. Our words of quarantine come from this. They explore the nature and the risk of love, the pain of letting go and look toward glimpses of resurrection.

Getting a degree in history instead of nursing and dating Luca, the Italian American who swept her off her feet sophomore year of college. Neither rebellion lasted long. Now seven years later her husband has died, shattering her perfect life and waking her up to

the reality of how she has always been controlled first by her mother then by her husband Desperate to finally break free she searches for joy in the one place she'd given up on ever going Rome Luca is too busy managing a luxury hotel in Rome to date When the girl who broke his heart seven years ago shows up as a guest there's nothing he can do except make sure she has an enjoyable stay without letting her anywhere near his heart If there's one thing Holly knows from her history degree it's that learning from the past is the only way into a brighter future But that means finding the courage to stand up to her mother and convincing Luca to trust her one more time If they can get over their past could they find their future **Days**

Bhattacharjee,2024-03-02 What could a failed exorcism lead you to Injury Death Hell In this case it left Father Andrew and John heavily injured as they failed to keep Christian in control The Devil rushed towards Detective Lucas to kill him for his sin Lust As Julia returned she was shocked to see the condition of the Vatican's top priest But did not the Devil fall in love with Julia Why is he a Devil Who has made him a devil His own cruelty Or a curse of God Some questions are left unanswered as the possessed Christian comes back As the Fathers said Julia picks up the holy knife and tries to stab her own lover Christian when being hysterical because How can someone kill her own lover Instead of resisting or injuring Julia possessed Christian smiles and kneels as if he were accepting his own death Bloody tears fall out of his eyes as his eyes are trying to tell something words never could Will Julia ever get to know about the untold story of the Devil Will Julia get back her beloved Christian Or will their love be buried in a dark room The Reconstruction of Resurrection Belief Peter Carnley,2019-06-24

In the companion volume to this The Resurrection in Retrospect Peter Carnley focuses on the inadequacies for faith in Jesus Christ of an approach to his resurrection purely as an event of past historical time The Reconstruction of Resurrection Belief articulates an alternative understanding of resurrection faith as essentially a response of trust based upon a knowledge by acquaintance with the living presence of Christ today This book seeks to articulate an understanding of the nature of resurrection faith in the language of today with as much logical coherence as possible in the hope that it may have some traction in the increasingly secular world of contemporary scientific materialism It faces the key challenge of seeking to explain how the claim that the animating Spirit of the Christian community that Saint Paul spoke of as the Spirit of life in Christ Jesus Rom 8:2 may be justifiably identified in faith today as the living presence of Jesus of Nazareth **Love, Poetry,**

**and Immortality: Luminous Insights of the World's Great Thinkers** William Gerber, 2022-07-11 This book explores and illustrates the individuating characteristics and the interrelationships of love poetry and literary immortality such immortality that is as writers may win in the sense of being long remembered and appreciated by future readers From the book s numerous quotations of glittering literary passages it is evident that love is often expressed in poetry and that many authors especially those writing about love have expressed the winsome hope that their works would be greatly cherished by later generations Part One of the book illustrates by passages of matchless poetry the joys and perils of love and other outstanding features of love Part Two outlines the history of expressions by writers in many cultures of their confidence or hope that their works will make them immortal
