Being in Love Osho, 2008-01-15 What Is Love In this thoughtful provocative work Osho one of the most revolutionary

thinkers of our time challenges us to question what we think we know about love and opens us to the possibility of a love that is natural fulfilling and free of possessiveness and jealousy With his characteristic wit humor and understanding Osho dares us to resist the unhealthy relationship patterns we've learned from those around us and to rediscover the meaning of love for ourselves By the time you are ready to explore the world of love you are filled with so much rubbish about love that there is not much hope for you to be able to find the authentic and discard the false By answering the questions that so many lovers face Osho shares new ways to love that will forever change how you relate to others including how to Love without clinging Let go of expectations rules and demands Free yourself from the fear of being alone Be fully present in your relationships Keep your love fresh and alive Become a life partner with whom someone could continue to grow and change Surrender your ego so you can surrender to love Being in Love will inspire you to welcome love into your life anew and experience the joy of being truly alive by sharing it

Report Back to Central Base Susan Wells,2010-05 DIS EASE strikes but you don t have to succumb How do you triumph and become a soldier AT EASE Report back to central base Report Back To Central Base presents God s truth in a creative unique way Filled with powerful Scripture and valuable knowledge this enjoyable 25 day training will better equip you to gain victory over harmful conditions that can plague the soul If you desire greater freedom peace and a more abundant life this training is for you Report Back To Central Base trains in the following vital areas Do you know you are a servant to whom you obey Have you fallen prey to the worldly quest Are you able to recognize worldly DIS EASES Develop a fervent attitude toward obedience and learn why the ways of the world can only promote DIS EASE Does love cause pain heartache and broken hearts Why are so many soldiers afraid to love Who determines if you are loveable Learn deceptions about love to enable you to better fight heart DIS EASE How do you not think troubling thoughts What role do beliefs play in having a mind AT EASE What is most helpful in gaining victory over fear Learn how truth can be utilized to defeat DIS EASE of the mind How can sinful divisions in relationships make you more prone to cancer What is the key to forgiving yourself Can you actually retain another person s sin within you Learn what is necessary in order to prevent cancer of the soul Physical disease is often a result of psychological DIS EASE This training is designed to improve spiritual and emotional health and possibly reduce the risk of physical ailments God desires that we be in good health and when we are free from DIS EASE we are better able to glorify Him Why Education Is Useless Daniel Cottom,2013-04-09 Education is useless because it

destroys our common sense because it isolates us from the rest of humanity because it hardens our hearts and swells our heads Bookish persons have long been subjects of suspicion and contempt and nowhere more so perhaps than in the United States during the past twenty years Critics of education point to the Nazism of Martin Heidegger for example to assert the inhumanity of highly learned people they contend that an oppressive form of identity politics has taken over the academy and complain that the art world has been overrun by culturally privileged elitists There are always it seems far more reasons to disparage the ivory tower than to honor it The uselessness of education particularly in the humanities is a pervasive theme in Western cultural history With wit and precision Why Education Is Useless engages those who attack learning by focusing on topics such as the nature of humanity love beauty and identity as well as academic scandals identity politics multiculturalism and the corporatization of academe Asserting that hostility toward education cannot be dismissed as the reaction of barbarians fools and nihilists Daniel Cottom brings a fresh perspective to all these topics while still making the debates about them comprehensible to those who are not academic insiders A brilliant and provocative work of cultural argument and analysis Why Education Is Useless brings in materials from literature philosophy art film and other fields and proceeds from the assumption that hostility to education is an extremely complex phenomenon both historically and in contemporary American life According to Cottom we must understand the perdurable appeal of this antagonism if we are to have any chance of recognizing its manifestations and countering them Ranging in reference from Montaigne to George Bush from Sappho to Timothy McVeigh Why Education Is Useless is a lively investigation of a notion that has persisted from antiquity through the Renaissance and into the modern era when the debate over the relative advantages of a liberal and a useful education first arose Facing head on the conception of utility articulated in the nineteenth century by John Stuart Mill and directly opposing the hostile conceptions of inutility that have been popularized in recent decades by such ideologues as Allan Bloom Harold Bloom and John Ellis Cottom contends that education must indeed be useless if it is to be worthy of its name
