discuss the lessons we learn from our upbringing and social and cultural background lessons that sometimes teach us what healthy relationships look like but sometimes teach us something else that we don't deserve any better than a typical relationship looks turbulent and difficult. This is an important book. Sherry Gaba clearly identifies a common pattern in relationships and shows the negative results on relationships of self-abandonment. Margaret Paul PhD, Co-Creator of Inner Bonding.

*Crazy for You* Kerry Cohen, 2021-09-21 A psychologist and bestselling author redefines love and sex addiction as a spectrum disorder and offers a new approach for healing. For anyone who has wondered, "Why does everyone else seem to be able to make romantic relationships work and I can't? What's wrong with me? Why is love so hard?" Psychologist and bestselling memoirist Kerry Cohen is all too familiar with the questions she often hears from her clients and has asked herself. Even though sex and love are some of the most universal sought-after experiences we have, many of us lack the tools and understanding to approach them in a healthy way. Without knowing it, many people struggling with sex and love actually fall somewhere on the spectrum of sex and love addiction. SLA (Sex and Love Addiction) is still wildly misunderstood. It's shrouded in secrecy and shame, and many counselors lack the training to address it, leaving people who need help without resources. Yet SLA isn't a binary of "you are or you aren't"; rather, it's a spectrum. Kerry Cohen knows this all too well as both a therapist and someone who identifies on the SLA spectrum. Based on research and her own clinical experience, *Crazy for You* dives into SLA and provides an inclusive framework for understanding relationships along with practical exercises and advice for self-assessment, discovery, and healing. Part one explains the sex and love addiction spectrum, helping you determine where you fall on it and how you got there. Part two introduces strategies for breaking the spell of sex and love addiction, like behavior modifications and self-awareness techniques. Part three teaches you how to navigate healthy, safe, and fulfilling relationships.

**Addiction to Love** Susan Peabody, 1989-02-01 Addicted to "love" Stephen Arterburn, 2004 *Addicted to Love* describes the many forms this addiction can take. Like alcoholics or drug addicts, love addicts get high on sex and romance and need ever greater doses to keep going. Stephen Arterburn examines this addiction, who it afflicts, and what you can do if you suspect that your spouse, friend, or family member may be suffering from it. With compassion and wisdom, Arterburn points the way to the psychological and spiritual healing that can enable men and women to enjoy real and lasting intimacy. Book jacket.

**The Arc of Love** Aaron Ben-Ze'ev, 2019-06-11 Is love best when it is fresh? For many, the answer is a resounding yes. The intense experiences that characterize new love are impossible to replicate, leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings. Aaron Ben-Ze'ev takes these experiences seriously, but he's also here to remind us of the benefits of profound love, an emotion that can only develop with time. In *The Arc of Love*, he provides an in-depth philosophical account of the experiences that arise in early, intense love. Sexual passion, novelty, change, as well as the benefits of cultivating long-term, profound love, stability, development, calmness. Ben-Ze'ev analyzes the core of emotions, many experienced in early love, and the challenges they encounter, and he offers pointers for weathering these challenges. Deploying

the rigorous analysis of a philosopher but writing clearly and in an often humorous style with an eye to lived experience he takes on topics like compromise commitment polyamory choosing a partner online dating and when to say I love you Ultimately Ben Ze ev assures us while love is indeed best when fresh if we tend to it carefully it can become more delicious and nourishing even as time marches on      **The Love Trap** Annie Bennett, 2007-02 The Love Trap is a guide to recognising and breaking the painful cycle of love addiction based around the author s own story of addiction and recovery
