**Love Unites Us** Kevin M. Cathcart,Leslie J. Gabel-Brett,2014-04-01 Firsthand accounts from the attorneys and advocates who brought the historic cases and fought to secure the freedom to marry for same sex couples The June 2015 decision in *Obergefell v Hodges* was a sweeping victory for the freedom to marry but it was one step in a long process *Love Unites Us* is the history of activists passion and persistence in the struggle for marriage rights for same sex couples in the United States

told in the words of those who waged the battle Launching the fight for the freedom to marry had neither an obvious nor an uncontested strategy To many activists achieving marriage equality seemed far fetched but the skeptics were proved wrong in the end Proactive arguments in favor of love family and commitment were more effective than arguments that focused on rights and the goal of equality at work Telling the stories of people who loved and cared for one another in sickness and in health cut through the antigay noise and moved people not without backlash and not overnight but faster than most activists and observers had ever imagined With compelling stories from leading attorneys and activists including Evan Wolfson Mary L Bonauto Jon W Davidson and Paul M Smith Love Unites Us explains how gay and lesbian couples achieved the right to marry An exceptional piece of work by courageous and innovative leaders Eric H Holder Jr 82nd US attorney general Captures the amazing story of the fight for marriage equality in California and around the country A remarkable journey recounted with truth and eloquence Gavin Newsom governor of California **Liberty (Not the Daughter But the Mother of Order) ...**

,1867 Liberty's Dawn Emma Griffin,2019-06-18 Emma Griffin gives a new and powerful voice to the men and women whose blood and sweat greased the wheels of the Industrial Revolution Tim Hitchcock author of Down and Out in Eighteenth Century London This provocative study looks at hundreds of autobiographies penned between 1760 and 1900 to offer an intimate firsthand account of how the Industrial Revolution was experienced by the working class The New Yorker The era didn't just bring about misery and poverty On the contrary Emma Griffin shows how it raised incomes improved literacy and offered exciting opportunities for political action For many this was a period of new and much valued sexual and cultural freedom This rich personal account focuses on the social impact of the Industrial Revolution rather than its economic and political histories In the tradition of bestselling books by Liza Picard Judith Flanders and Jerry White Griffin gets under the skin of the period and creates a cast of colorful characters including factory workers miners shoemakers carpenters servants and farm laborers Through the messy tales of more than 350 working class lives Emma Griffin arrives at an upbeat interpretation of the Industrial Revolution most of us would hardly recognize It is quite enthralling The Oldie magazine A triumph achieved in fewer than 250 gracefully written pages They persuasively purvey Griffin's historical conviction She is intimate with her audience wooing it and teasing it along the way The Times Literary Supplement An admirably intimate and expansive revisionist history Publishers Weekly Liberty's Daughters Mary Beth Norton,1996 This book represents social history on a grand scale imaginatively conceived and massively researched Norton brilliantly portrays a dramatic transformation of women's private lives in the wake of the Revolution First published in 1980 and recently out of print Liberty's Daughters is widely considered a landmark book on the history of American women and on the Revolution itself

Liberty,1927 All the Year Round,1883 *Christian Marriage and Family* Michael G. Lawler,William P. Roberts,1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as

an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Love, Marriage, and Divorce, and the Sovereignty of the Individual* Stephen Pearl Andrews, 1889 This work evolved out of a public debate between Andrews and Greeley over their difference of opinion on the concept and legal framework of marriage **Library of Congress Catalogs** Library of Congress, 1976 **Love and Freedom** Alison Mackinnon, 1997-01-28 In this 1997 book Alison Mackinnon traces the history of women's challenges to changes in education employment reproductive science and law She shows the connection between the lives of the first generation of women university graduates and the sudden decline in the national birthrate So dramatic was this shift that it sparked a Royal Commission into its cause Alison Mackinnon's extensive research shows that the declining birthrate was not simply the result of selfish educated young women refusing to bear the burdens of motherhood but was symptomatic of a larger questioning of the role of women in procreation the role of women in marriage and the institution of marriage itself Utilising social and government history autobiography and statistical analysis this book shows that the Marriage Problem exists as much in the 1990s as it did in the 1890s Men and women today are still challenging the boundaries between work and home profession and private life trying to find a way to have it all **Freedom**, 1899 **Love, marriage, and divorce, and the sovereignty of the individual, a discussion between H. James, H. Greeley, and S.P. Andrews, incl. the final replies of mr. Andrews, rejected by the New York Tribune, and a subsequent discussion between mr. James and mr. Andrews [ed. by S.P. Andrews.]** Henry James, 1889
