Bové, 2021-01-12 A case for literary critics and other humanists to stop wallowing in their aestheticized helplessness and instead turn to poetry comedy and love Literary criticism is an agent of despair and its poster child is Walter Benjamin Critics have spent decades stewing in his melancholy What if instead we dared to love poetry to choose comedy over Hamlet's tragedy or to pursue romance over Benjamin's suicide on the edge of France of Europe and of civilization itself Paul A Bov challenges young lit critters to throw away their shades and let the sun shine in Love's Shadow is his three step manifesto for a new literary criticism that risks sentimentality and melodrama and eschews self consciousness The first step is to choose poetry There has been since the time of Plato a battle between philosophy and poetry Philosophy has championed misogyny while poetry has championed women like Shakespeare's Rosalind Philosophy is ever so stringent try instead the sober cheerfulness of Wallace Stevens Bov's second step is to choose the essay He praises Benjamin's great friend and sometime antagonist Theodor Adorno who gloried in writing essays not dissertations and treatises The third step is to choose love If you want a Baroque hero make that hero Rembrandt who brought lovers to life in his paintings Putting aside passivity and cynicism would amount to a revolution in literary studies Bov seeks nothing less and he has a program for achieving it      **A/AS Level English Literature A for AQA Student Book** Russell Carey, Anne Fairhall, Tom Rank, 2015-11-12 Created specifically for the AQA A AS level English literature A specification for first teaching from 2015 this print student book is suitable for all abilities providing stretch opportunities for the more able and additional scaffolding for those who need it Helping bridge the gap between GCSE and A level the unique three part structure focuses on texts within a particular time period and supports students in interpreting texts and reflecting on how writers make meaning      **AP English Literature & Composition For Dummies®** Geraldine Woods, 2008-02-13 Yes you can pass the AP English Literature and Composition exam with ease Just brush the dust off your thinking cap and get a little help from AP English Literature and Composition For Dummies It gets you up to speed on all the topics and themes of the AP exam in a focused step by step manner Beginning with an exam overview and ways to get the most out of an AP English class this book has it all long and short range planning advice detailed chapters that discuss the four main literary genres and two full length practice exams complete with detailed answer explanations and scoring guides It helps you perfect the skills you need to get your best possible score Two bonus appendixes provide a full list of teacher recommended titles to choose from for the open ended essay as well as a quick grammar review to address the fundamentals of superior essay writing Discover how to Get familiar with the exam format and the types of questions you'll face Figure out what the questions are really asking Maximize your score on multiple choice questions Write effectively and eloquently about

**Worldviews and Cultures** Nicole Note,R. Fornet-Betancourt,J. Estermann,Diederik AERTS,2008-12-23 Globalization brings people and cultures together producing in addition to deep and rich encounters exclusion racism xenophobia and asymmetries The present book takes these issues implicitly as its starting point by thoroughly reflecting on them from a perspective of worldviews as one of many approaches More specifically it focuses on people's implicit and explicit interpretations and assumptions of the world of themselves and of others Often deeply rooted and hard to change they have an important function for without them we would continually need to question what we do and what we think In their absolutist form these assumptions may become a barrier for open mindedness and hence for deep intercultural understanding and exchange We need to find a balance between both stances Intercultural philosophy tries to fulfil this role on the one hand by comparing different cultures on a deep philosophical level and as a way to better understand each other's core assumptions and on the other hand by arguing for an intercultural philosophy grounded in specific cases The contributions of this book conceive of another possible world which does not condemn cultural and religious diversity as a detonator for Clashes of Civilizations but rather welcomes it as a source of inspiration for all and of respect for the different

Dobbs-Allsopp, 2015-08-19 *On Biblical Poetry* takes a fresh look at the nature of biblical Hebrew poetry beyond its currently best known feature parallelism F W Dobbs Allsopp argues that biblical poetry is in most respects just like any other verse tradition and therefore biblical poems should be read and interpreted like other poems using the same critical tools and with the same kinds of guiding assumptions in place He offers a series of programmatic essays on major facets of biblical verse each aspiring to alter currently regnant conceptualizations in the field and to show that attention to aspects of prosody rhythm lineation and the like allied with close reading can yield interesting valuable and even pleasurable interpretations What distinguishes the verse of the Bible says Dobbs Allsopp is its historicity and cultural specificity those peculiar encrustations and encumbrances that typify all human artifacts Both the literary and the historical then are in view throughout The concluding essay elaborates a close reading of Psalm 133 This chapter enacts the final movement to the set of literary and historical arguments mounted throughout the volume an example

of the holistic staging which Dobbs Allsopp argues is much needed in the field of Biblical Studies Academy and Literature
